PRINCIPAL'S MESSAGE

Dear Grandview Families,

Welcome to the 2026-2027 school year! We are so excited to have you back, and for those new to Grandview, welcome! Thanks to you, our 2024 Bond Project that included new flooring and paint throughout the school is just wrapping up, and it looks like a brand-new building. We hope you can join us on Back-to-School-Night, August 20th, to see it for yourselves!

On Tuesday, August 18th, we will begin our alternating Blue/Black schedule. The Phase-In Day Schedule, Blue/Black Calendar, and Back-to-School-Night flyer are attached to the email with this letter. All are available on our website as well.
Last school year, we asked for your help in getting students to school on time, every day, so we could intentionally focus on engagement from bell to bell. We also instituted a new cell phone policy where students used cell phone holders at the front of every classroom to store their phones during the entire period. Both initiatives proved successful for our students and teachers, and we thank you for your support in that.

Soon, you will hear from our district about the use of Artificial Intelligence (AI) and what that will look like for high school students this year. This page on the district website will provide you with the vision of the district regarding AI and the guidance our teachers will follow in the classroom. We know there is a lot of information out there, and part of our role is teaching students how to use the information in front of them. This is new for us as educators, and we are navigating this world like our students are.
Please make sure all Cherry Creek School District and GHS-specific check-in items are complete, including paid fees/fines, so that your student is ready to go day one. Schedules will be sent home via email next week if all items are complete. We are ready for the new year and look forward to having your students here in just days! At Grandview, we are One Pack!
Go Wolves!

Sincerely,
Lisa Roberts, Ed.D.

SCHOOL SAFETY

Grandview High School is committed to providing a learning environment where students, staff and community members feel safe. This includes attention to both physical and psychological school safety. Each year, we revise our Readiness and Emergency Management for Schools (REMS) Template, which outlines important safety procedures we follow. This includes items such as our drill schedules and plans for preparation and response to potential school emergencies. On a regular basis we conduct Fire, Secure Perimeter, and Lockdown drills, and we continuously revisit and revise all safety procedures. All of our procedures are designed in accordance with recommendations of best practice made from both external agencies and the Cherry Creek School District. By establishing such proactive measure, and continually reflecting upon and adjusting our plans as needed, Grandview High School strives to promote and maintain a safe learning environment. For any questions related to school safety at Grandview High School, please contact Trevor Watrous, Assistant Principal 720.886.6524

EVACUATION/FIRE DRILL
The school is evacuated due to a safety concern inside the building. One drill required per month.

SECURE PERIMETER
All exterior doors are locked in response to a concern outside of the building. Business is conducted as usual inside of the building.

LOCKDOWN
Students and staff respond to a threat inside the building by sheltering behind locked doors.

SHELTER-IN-PLACE (SEVERE WEATHER)
Students and staff move to "tornado safe" areas in the school, which typically means on the first floor away from windows and doors.

Cell Phone Reminders

- Upon entering class, students are expected to turn off or silence their phones and place them in a designated location determined by the teacher.
- Students may use their cell phones before and after school, during lunch,and during passing periods.
- If you have an emergency and need to get in contact with your student while they are in class, please contact the main office at 720-886-6500.
- Non-compliance will result in progressive discipline measures.

Wolf Pack Wellness

From the Clinic - Helping Students Thrive Body & Mind

WELCOME BACK GRANDVIEW STUDENTS & FAMILIES!

Immunizations & Sleep for School Success
As the school year gets underway, making sure students are up-to-date on vaccines is key to protecting their health and the health of those around them. According to the Centers for Disease Control and Prevention (CDC), vaccines prevent the spread of contagious diseases like measles, whooping cough, and meningitis—illnesses that can lead to serious complications and missed school days.

Stay Protected: The Importance of Immunizations
The following are common immunizations for students in high school: 1) Tdap (tetanus, diphtheria, pertussis); 2) Meningococcal (MenACWY and MenB); 3) HPV (protects against human papillomavirus); 4) Annual flu shot; 5) COVID-19 booster (if eligible). *Make sure to check with your healthcare provider and/or school nurse to ensure all immunizations are current.*

Sleep Smart: Build Healthy Routines
Teens need 8–10 hours of sleep per night, but most get far less—leading to trouble with focus, mood, and academic performance. Studies show well-rested teens perform better in school, are less likely to get sick, and experience better mental health. The following are tips to help get better sleep:

- Stick to a consistent sleep schedule, even on weekends
- Power down electronics at least 30 minutes before bed
- Keep bedrooms cool, dark, and quiet
- Avoid caffeine in the afternoon and evening

Hearing and Vision Screenings
We will be conducting hearing and vision screenings for all 9th grade and new-to-district students on September 3rd and September 4th . Screenings will take approximately 5 minutes and students will be excused from their classes for this time. If you would like to opt your student out of the screening, please contact the clinic at (720) 886-6603 by August 31st.

Questions or want to learn more? Visit the nurse's office or call the Grandview Clinic at (720) 886-6603.

ASPIRE Team Corner

Welcome to the 2026-2027 School Year! Did you know Cherry Creek School District has an Adolescent Substance Use Prevention, Intervention, Resources & Education (ASPIRE) Team of school health professionals that supports students and school communities with substance use prevention, intervention and education? Part of that education includes monthly newsletters like Wolf Pack Wellness!

Throughout the year, this newsletter will celebrate nationally recognized "themed months." For example, August is considered "*National Wellness Month*" which focuses on self-care, healthy routines, and stress management, making it the perfect time to set the tone for a healthy school year! By focusing on one theme at a time, we can share helpful resources to support our students and families. If you would like more information about the ASPIRE Program, please contact to Grandview's ASPIRE Team Member Annie Walters at awalters@cherrycreekschools.org.

As we start the school year, here are some tips to have a healthy and balanced school year:

- PRIORITIZE SLEEP: a consistent bedtime helps with focus, mood, and energy.
- TALK IT OUT: check in with friends, family, or a trusted adult when things feel overwhelming.
- BUILD HEALTHY COPING HABITS: exercise, journaling, art, or music can help manage new school-year stress.
- KNOW YOUR RESOURCES: our counseling and mental health teams are always open for support, no problem too big or small!
