Introduction

Mission Statement

Saint Constantine College cultivates virtue, wisdom, and joy through Orthodox Christian, classical higher education. Integrating Christian tradition, dialectical pedagogy, and the Great Texts, we welcome students into the work of the Church and the commonwealth.

Purpose of the Student Handbook

Saint Constantine College informs students of its rules, policies, and guidelines through this Student Handbook and the Academic Catalog. It is the responsibility of the student to obtain, read, and comprehend the purpose, policies, and procedures of both documents.

The specific policies outlined are not presented as an exhaustive list of behavior concerns, and each one should be interpreted broadly in the context of the highest Christian standards of honesty, ethics, and morality. All students are expected to conduct themselves in a manner that supports and promotes Orthodox Christian values and the well-being of all members of the community. Students are expected to treat every member of the Saint Constantine community with civility and respect, and to conduct themselves, both on and off campus, with faithfulness, truthfulness, lawfulness, and charity. Saint Constantine College reserves the right to confront behavior that is detrimental to the student or others, or that diverges from the College's standards.

Saint Constantine College reserves the right at any time to create additional policies, or modify existing ones, as needs may dictate. Any such changes will be communicated with the students through email, in person, or via the College website. Saint Constantine College's policies and procedures—including, but not limited to, those contained in the Student Handbook, Academic Catalog, and institutional policies—do not confer any contractual rights to its students. Except where prohibited by law, the College, though an authorized representative, may modify the policies or procedures in a particular case at its discretion.

The term “campus” shall mean Saint Constantine College's owned, leased, or controlled buildings, College housing, land, parking lots, and walkways. In the entirety of this handbook, the terms “college” or “The College” shall mean Saint Constantine College.

Non-Discrimination Policy

Saint Constantine College is co-educational and admits qualified students of any race, religion, or national or ethnic origin, without regard to sex, age, disability, or sexual orientation. Academic facilities are accessible to people with physical disabilities.

Privacy Policy

Notification of Student Rights under Saint Constantine College's Privacy Policy

Saint Constantine College does not receive funding from the Department of Education and is therefore not beholden to the Family Educational Rights and Privacy Act (FERPA); however, the College values and upholds student privacy. Saint Constantine College maintains a Privacy Policy that affords students certain rights with respect to their educational records. These rights include:

1. The right to inspect and review the student's education records within 45 days of the day the College receives a request for access.

A student should submit to the Registrar a completed *Request to Inspect and Review Education Records* form, available in Populi, that identifies the record(s) the student wishes to inspect. The Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under the College's Privacy Policy.

A student who wishes to ask the College to amend a record should send an email or letter to the Registrar clearly identifying the part of the record the student wants changed and specifying why it should be changed. If the College decides not to amend the record as requested, the College will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the College discloses personally identifiable information from the student's education records, except to the extent that the College's Privacy Policy authorizes disclosure without consent. "Directory Information" however, is generally available to third parties unless otherwise requested by the student.

In general, a signed consent of release is necessary for the release of any "Non-Directory Information." Some elements of personally identifiable information (PII) designated by the College as "Directory Information" are made available to third parties unless otherwise requested by the student. (See *Directory Information Public Notice* below for more information regarding "Directory" and "Non-Directory" information and your right as a student to request heightened confidentiality.)

The College discloses education records without a student's prior written consent under the Privacy Policy exceptions for disclosure, such as release to school officials with a legitimate educational interest. A school official is a person employed by the College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using College employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of

Trustees; or a student or volunteer serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the College.

Upon request, the College also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

Directory Information Public Notice

Under the standard protection of the College's Privacy Policy, a signed consent of release is necessary for the release of any "Non-Directory Information." Certain information designated as "Directory Information" may be disclosed without the consent or knowledge of the student unless the student has notified Saint Constantine College in advance that such information is not to be released (see below).

"Directory Information" at Saint Constantine College is defined as:

- Photo
- Name
- Telephone Listing
- E-Mail Address
- Date and Place of Birth
- Major Field of Study
- Participation in Officially Recognized Activities
- Student Status (e.g. Enrolled, Withdrawn, Graduated, etc.)
- Enrollment Time Status (e.g. Full Time, Part Time, etc.)
- Student Classification (e.g. Freshman, Junior, etc.)
- Dates of Attendance
- Degrees and Awards Received
- Most Recent Previous Educational Agency or Institution Attended

The purpose of establishing this definition of "Directory Information" is to notify the student of the types of personally identifiable information included in this definition of "Directory Information" and to allow the student to prevent the disclosure of this information should he or she wish to do so. The student may request that his/her "Directory Information" remain confidential and therefore be treated as "Non-Directory Information." To do so, the student must change his/her confidentiality level to Total Confidentiality. Students may request changes to their level of confidentiality by submitting a *Request to Withhold/Release Directory Information* form in Populi. **Requests to change a student's level of confidentiality must be received by the end of the first full week of classes for any term.**

Implications of Requesting Total Confidentiality to Student Records

Students requesting Total Confidentiality should familiarize themselves with the various implications associated with this heightened, optional level of privacy. The following are some, but not all, of such implications. All students who do not request Total Confidentiality will be assigned Standard Confidentiality which entitles them to all of the regular protective provisions of the College's Privacy Policy as described in the *Notification of Student Rights* above.

Students requesting Total Confidentiality should be aware that this will prevent the acknowledgment of their enrollment and the release of any and all “Directory Information” by the College to potentially interested third parties such as parents, spouses, children, other family members, potential employers, and the like. To authorize the release of the “Directory Information” of students with Total Confidentiality, the student must complete and submit a *Privacy Policy Consent to Release Student Information* form in Populi.

Students who have requested Total Confidentiality will also be omitted from some internal College and departmental communications. Students who have requested Total Confidentiality may be prevented from serving in an official capacity as a representative of the College. Students who have requested that their information remain confidential will not be listed on such things as honor lists, and they will not have their names printed in the graduation program nor read at the commencement ceremony when they graduate unless a specific written request is submitted to the Registrar.

Alumni and former student educational records will be treated according to the last privacy level selected by the student prior to their graduation or withdrawal from the College.

The College is not responsible for the retraction or amendment of any and all student information legitimately released to a third party prior to the student’s request for Total Confidentiality. The requesting student is responsible to coordinate such desired retraction/amendment directly with the third-party recipient and/or any other third parties the information was subsequently redisclosed to.

Additional questions concerning Saint Constantine College’s Privacy Policy may also be directed to the Registrar.

Campus and Community Life Policies

All students are expected to conduct themselves in a manner that supports and promotes Orthodox Christian values and the well-being of all members of the community. Students are expected to treat every member of the Saint Constantine community with civility and respect, and to conduct themselves, both on and off campus, with faithfulness, truthfulness, lawfulness, and charity. Saint Constantine College reserves the right to confront behavior that is detrimental to the student or others, or that diverges from the College's standards.

Off Campus Conduct

While enrolled at Saint Constantine College, students are to remember that they are ambassadors for the College wherever they go and should conduct themselves in such a manner that dignifies and honors the Saint Constantine community. The Saint Constantine College student seeks to live a life of virtue, wisdom, and joy, whether on campus or off. Students who are found to be behaving off campus in a way that brings disrepute to the College community will be subject to disciplinary action under the auspices of the Student Life Department.

Academic Honesty and Truthfulness

Saint Constantine College holds a no tolerance policy for all academic dishonesty, including bribery, fabrication, lying, plagiarism, unauthorized collaboration, violation of copyright, and any other form of deception that intentionally defrauds an individual or institution. All use of AI-generated material is inappropriate in a scholarly, academic setting and will be subject to the same penalties as other instances of academic dishonesty. When a student asks AI to generate content for their class work, they are outsourcing to an inhuman machine the very skills of scholarship in which Saint Constantine wishes to apprentice them.

If a faculty member suspects a student to have participated in academic dishonesty, they will first meet with the student to discuss the incident. If the faculty member deems that the student has committed academic dishonesty, they will determine appropriate next steps. These steps will include being given no credit for the assignment in question and may also result in loss of Good Academic Standing and being placed on Academic Probation. After being placed on Academic Probation, a student who commits further academic dishonesty may be placed on Academic Suspension. At any point in this disciplinary process, the student may appeal to the Provost. If the student wishes to appeal a decision made by the Provost, this appeal will follow the appropriate procedures as detailed in the Grievance Policy of the College.

If a student is suspected of dishonesty outside of the academic context, the staff member who oversees the student—Resident Director, Work Supervisor, or otherwise—will address the matter with the student directly. The student may appeal to the Student Life Department to adjudicate should this become necessary. Students found to have violated the standards of the College with regards to honesty may be subject to disciplinary action, including dismissal from student employment and/or student housing.

Accommodations

Saint Constantine College is committed to providing equal opportunity to students with disabilities through a supportive academic and social environment. Faculty and students work together in partnership to determine students' needs and attempt to see that those needs are met. For more information about disability support services, please see the *Disability Support Services Manual* which may be obtained from the Registrar or found in Populi.

Alcohol, Smoking, and Drugs

Alcohol & Smoking

Saint Constantine does not permit alcohol and tobacco on Campus (Campus includes all College Houses).

There may be school- or College-sponsored events throughout the year where alcohol and/or tobacco is served, where students who are of legal age may choose to drink and/or smoke responsibly. Further, if students who are of legal age to drink and/or smoke choose to do so off campus, they should remember that they are representatives of the whole Saint Constantine community and always conduct themselves in a dignified and moderate manner. Drunkenness and other immoderate behaviors will not be tolerated anywhere on or off campus, including the College Houses.

Drugs

No substances prohibited by state or federal law (including marijuana and other illegal drugs) should ever be obtained, possessed, or used by a Saint Constantine student, on or off campus. This prohibition extends to the improper acquisition and/or abuse of prescription drugs.

Assault

Assault is prohibited. Assault is defined as intentionally, knowingly, or recklessly causing bodily injury to another person, OR intentionally or knowingly causing another to reasonably fear imminent bodily harm.

Bullying

Bullying is prohibited. Bullying is defined as any gesture or written, verbal, graphic, or physical act—including electronically transmitted acts—that may be reasonably perceived as being harmful or embarrassing, motivated by any actual or perceived characteristic. This includes, but is not limited to race, color, religion, ancestry, national origin, gender, sexual orientation, mental, physical or sensory disabilities or impairments, or any other characteristic.

Civility

Students at Saint Constantine College are to conduct themselves with civility and respect for one another and their professors both in and out of the classroom.

During class, students are expected to be attentive to their professors and one another, avoiding rude behaviors like interruption, irrelevant conversations, disrespectful language and behavior, and ***all unnecessary cell phone or other technology usage*** in the classroom. Students are expected to follow the guidelines of the syllabus of each class in which they are enrolled, and to follow the guidance of their professor when it comes to assignments, due dates, class participation, and overall academic success.

Outside of class, civility means treating one's classmates, one's professors, school staff, Residence Directors and Assistants, and all school facilities (including housing) with care and stewardship. Students ought to avoid all disruptive or uncivil behavior, including profanity, vandalism, harassment, shouting, and fighting. Instead, students should comport themselves in such a way as to promote the common dignity and common good of the College community. All uncivil behavior will be addressed by the faculty and/or staff of the College.

Conflicts and Complaints

It is the objective of Saint Constantine College to provide an environment of mutual respect between students, faculty, and others associated with our program. This extends to our relationship with The Saint Constantine School, its faculty, students, parents, etc. We expect students who attend the College to hold themselves accountable and act responsibly as is directed by the values of the College. In situations where the student feels that they are unable to find resolution to conflicts involving: (1) peers, (2) an issue with a class, (3) an instructor or other person(s) within The Saint Constantine community, or (4) an issue involving housing, the following procedures will be followed.

The following general guideline applies to all conflicts: the student should make every effort to resolve the conflict with the person in question before appealing to the chain of authority. At each level of conflict and complaint arbitration, the appropriate authority will ask whether the student has tried to resolve the issue with the person in question.

Student Conflicts

Every effort should be made by the students to resolve the conflict. In a case where this is not possible, the student should contact the Student Life Department to discuss the issue. At that time, if deemed necessary, an appointment with the Provost will be scheduled. Parties involved in the conflict will be contacted in an effort to bring resolution to the issue.

Class or Grade Issues

Students having issues with grades or classroom concerns should speak to the professor in charge of the class in question. If the issue is with their Great Texts class, students should address their concern to their Semester Mentor. In the event such issues cannot be resolved, students have the right to appeal to the

Provost. Any judgment by the Provost will be considered final. Please refer to the *Academic Policies* section of the Academic Catalog for more information.

Housing Concerns

All students living in the College Houses are expected to conduct themselves in the same manner as expected while on campus— act responsibly, with accountability for their actions and with mutual respect for their peers and Resident Director or Resident Assistant. Students are expected to follow the guidelines as established in mutual agreement with the Resident Director and other housemates.

If a conflict arises between housemates, students should seek counsel from the Resident Director. The Resident Director will communicate with the Student Life Department as appropriate on such matters. Further intervention by the Student Life Department, with the Resident Director and student(s), will be arranged as needed.

Conflicts/Issues with the TSCS Community

If a Saint Constantine College student has a conflict with another member of The Saint Constantine School faculty, student, or other member of the community not addressed by the above guidelines, the student should contact the Student Life Department in person or via email. Where necessary, the Student Life Department may consult the Provost to investigate and determine what, if any, remedies are appropriate.

Dress Code

Saint Constantine College wishes to honor the liberty and dignity of each student by giving them an appropriate amount of freedom in their dress. We strive to treat each student as the adults that they are. We want to create an academic community in which students respect and ennoble one another through their appearance and behavior. To that end, we have established a basic dress code of Business Casual while on campus. There are two exceptions to this basic dress code: 1. Events during which Formal Regalia are required, and 2. Work hours during which a student's job on campus requires them to wear more casual attire to facilitate the proper performance of their duties.

Business Casual Dress

This is the default dress code for all students when on campus, both in and out of class. Business Casual dress guidelines are as follows:

- For Gentlemen: Collared shirts and trousers or kilts.
- For Ladies: Dresses; blouses and trousers or skirts.

Anything more formal than this baseline is also allowed. Please note that T-shirts and light-wash blue denim are not considered formal enough for Business Casual dress. Dark-wash and black denim, as long as it is clean, well-tailored, and free of holes, is allowed.

Formal Regalia Dress

Formal Regalia dress is a step up from Business Casual and draws from the Old-World heritage of having the whole academic community wear robes denoting their role. Essential to each student's Formal Regalia dress is wearing one's undergraduate regalia (robe) and any pins appropriate to their rank in Saint Constantine College. Further, ties and coats are recommended for gentlemen to wear, or more professional dresses or suits for ladies. Our goal with Formal Regalia dress is joyful academic splendor and gravitas. Events that require Formal Regalia are Keystone Discussions, Order of the Spear and Graduation ceremonies, and all Mid Rags and Don Rags exams.

Student Work Dress

During student work hours, students publicly represent the Saint Constantine community. Therefore, unless otherwise specified by the student's supervisor (such as for physically demanding facilities work), all students should wear Business Casual dress during all student work hours. Supervisors may ask students to change their clothes if they are deemed inappropriate for the job.

College House Dress

Students are welcome to dress as casually as they desire at the College Houses, while always remembering to respect the privacy and dignity of others and themselves.

Emergency Procedures

In the event of an emergency, the first person to become aware of it must notify Emergency Services by dialing 911.

Emergency Notification

In the case of an emergency or other urgent event, students, faculty, and staff will be contacted through a variety of methods. These include, but are not limited to text messages, voicemail messages, phone calls, intercom paging, email announcements, campus websites and social media, and word-of-mouth notification. If it is determined that issuing an emergency notification will compromise efforts to contain the situation, the notification may be delayed.

Emergency Text Messaging

Saint Constantine College uses the Raptor Alert system to deliver time-sensitive notification to students, faculty, and staff. Messages may be sent regarding emergency situations, inclement weather and school closings, etc. To enroll, please follow the steps below:

- Use your Saint Constantine email address to login with the Single Sign On (SSO) process

- Enable notifications and location services

This will give students full access. All computers should be able to access Raptor Alert via a browser.

Inclement Weather

If necessary, due to inclement weather, natural disaster, or school-wide illness, Saint Constantine College may choose to cancel classes for some or all a school day. College students should attend to communications from the College, especially email, to alert them to such closures. If school is canceled due to natural disaster, students who live in Saint Constantine College Houses should look to their RD or RA as points of contact for proper safety measures and attend to any email communications from the Student Life Department, Provost, Registrar, or President for pertinent information.

Entertainment and Communal Enjoyment of Art

We encourage students to engage with the best in the contemporary art forms of cinema, music, dance, literature, and the visual arts, especially when this engagement is conducted in a virtuous, mindful, and discerning way. Students should be sure to respect the whole community’s consciences when it comes to art that is enjoyed communally. The communications guidelines detailed in the Inappropriate Communications section should be considered when choosing entertainment that is enjoyed in communal spaces on campus, including the common areas of College Houses.

Faculty Office Hours

Faculty make themselves available to students outside of class times by observing office hours. Course syllabi detail faculty members' office hours. Students should contact a faculty member directly to schedule office hours or with any questions.

Financial Responsibility

Students are responsible for all charges posted to their account in Populi and for observing all payment deadlines and due dates. Saint Constantine College reserves the right to refer overdue accounts to a collection agency.

Students with overdue accounts may be prohibited from: enrolling or attending classes, receiving a diploma, receiving grades, requesting official transcripts, and living in the College Houses. Please refer to the Academic Catalog's *Financial Information* section for more detailed information.

Grievances

If a student believes that the College as an institution has failed to properly uphold its own policies, an official grievance, explaining the policy in question and the instance of its failure to be upheld, may be submitted in writing to the department of Human Resources. The Human Resources Manager will oversee the arbitration process of each grievance.

Students who wish to file a grievance must obtain a "Student Grievance Form" from HR, and submit it, along with a separate letter explaining the grievance. Grievance letters must be written as a letter to the appropriate College official/department and signed by the student. They must include the following information:

- Description of the situation and any relevant facts;
- Explanation of attempts the student has already made to resolve the issue;
- Date situation occurred;
- Names of people involved or believed to be responsible, as well as the names of anyone who witnessed or has additional knowledge of the issue.

Grievances must be filed within 10 days of the incident/issue. Once received, the appropriate College official will investigate the grievance. Resolution of the grievance will occur once the outcome is determined, and the student will be notified of any action or non-action that will be taken in response. Except in unusual circumstances, resolution should be reached within two weeks of the start of the investigation.

Students who file a grievance will be given as much confidentiality as possible during the process. Initiating a grievance process will not impact the student's relationship to the College.

Grade Appeals

Please refer to the Saint Constantine College Academic Catalog, *Academic Appeals Policy*.

Harassment

Harassment is prohibited. Harassment includes, but is not limited to: threat, intimidation, coercion, assault, acts of violence, physical abuse, verbal abuse, sexual abuse, or other conduct which threatens or endangers the health or safety of any person, on or off campus.

Hazing

Hazing is illegal and is prohibited by Saint Constantine College. Texas Education Code (EDUC § 37.151) defines hazing as follows:

“Hazing” means any intentional, knowing, or reckless act, occurring on or off the campus of an educational institution, by one person alone or acting with others, directed against a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in an organization if the act:

(E) involves coercing, as defined by Section 1.07, Penal Code , the student to consume:

(i) a drug; or

(ii) an alcoholic beverage or liquor in an amount that would lead a reasonable person to believe that the student is intoxicated, as defined by Section 49.01, Penal Code .

Any Saint Constantine College student, staff, or faculty member guilty of instigating or participating in hazing, whether on or off campus, will be immediately and permanently removed from the College and referred to the appropriate law enforcement agencies. All sanctions related to hazing will be in accordance with local, state, and federal law.

- Obscene, racist, sexist, harassing, or intimidating language, including language that threatens the physical, emotional health, or safety of self or others.
- Use of aforementioned inappropriate language in any online forum, including email and social media.
- The pervasive use of oral or written profanity.

Information Technology

Technology Responsibility

Saint Constantine College will provide students with Wi-Fi on campus and in the College Houses. The College will not provide students with any computers of their own. Students are expected to use all technology in a responsible manner. Students will be expected to use a personal computer in their course of study which will include, but is not limited to typing papers, printing papers, viewing documents, reading and writing emails to professors, and creating and giving presentations.

Student Worker Technology Responsibility

If students are employed as student workers, they will have the same standards as regular employees of The Saint Constantine School. Student workers are expected to use school computers safely and responsibly. Additionally, student workers are expected to navigate Microsoft 365 according to the cybersecurity policies, which are as follows:

- **Legal Use Only.** Anyone on the Saint Constantine network (Wi-Fi or ethernet) and/or a Saint Constantine device should only use them for legal purposes. Student workers should use these devices responsibly and only for the task(s) assigned to them.
- **Only Secure Devices on Network.** Anyone on the Saint Constantine network (Wi-Fi or ethernet) should connect to the network only with secured devices. In the case of computers, these computers should have antivirus software and be regularly updated to not compromise the network at large.
- **Proper Use of Microsoft 365.** Students should use Microsoft 365 only in their capacity as students or student workers. Any attempt to gain access to accounts or information that they are not authorized to access will result in disciplinary action. This includes proper use of the email servers, proper use of SharePoint and all file management, and proper use of administrative accounts that may be used in the case of a student worker.
- **Use of 7100 Network for Secure Work.** Student workers should only access and work with sensitive material (i.e. personal information, intellectual property of The Saint Constantine School or Saint Constantine College, etc.) while on the Wi-Fi network named “SaintConstantine7100.” Students should never access any sensitive information from a Wi-Fi from the dorm, the South Campus Wi-Fi (named “SaintConstantinePrivate”), or any public Wi-Fi.

Contacting the IT Department

Students and student workers should contact our remote IT service provider, Meriplex, if they have any questions or concerns. This includes knowledge of improper use of The Saint Constantine School equipment or networks, knowledge of account hacking, equipment issues on campus, or any other related questions. If a student is unsure if a student worker task would breach the cybersecurity policies mentioned above, the student should reach out to their supervisor and our remote IT service provider, Meriplex.

Students can reach IT by emailing support@meriplex.com.

Internet Safety Tips

Students should observe general internet etiquette and safety. This includes being careful about what personal information you post online, creating secure passwords, and not trusting information from unknown sources. Students should report suspicious emails received from email addresses outside of the Saint Constantine School domain (i.e. any emails received not from “@saintconstantine.org”). These emails can be forwarded to the IT department (see above) and they will direct you to any further actions.

Lying is prohibited. Lying is defined as intentionally giving false or misleading information in written or oral communication. Lying within the context of academic work is covered in the Academic Honesty section of this Handbook.

Medical Needs and Emergencies

The Saint Constantine School employs a registered nurse as a first contact for all health-related issues including medication, injuries, and emergencies. In the event of an individual student emergency while on the main campus, our staff will follow the instructions of our school nurse (including calling 911). When possible, students with medical needs should visit the Nurse's office in the South Campus West Building, room 4. In the case of a medical emergency, when the Nurse is needed immediately, she can be reached at (478) 747-5129. She can also be reached by email at: nurse@saintconstantine.org.

In the event of a medical need after school hours, students who live in the College Houses should alert their RD or RA, who may contact the Nurse or emergency services as needed. Students are encouraged to keep in their possession both their emergency contact and medical insurance information.

Mental Health and Counseling Services

Saint Constantine College is committed to student success and therefore provide access to several types of counseling services to assist the spiritual, mental, emotional, and academic well-being of all students. In addition to following appropriate protocol and working with the counselor, in cases involving serious injury and in emergency situations the College may notify the parents or legal guardian of the student.

Spiritual Counseling

For spiritual counsel, students should contact the school chaplain, Deacon Timothy Rask (trask@saintconstantine.org), or the appropriate spiritual leader in their religious community.

Personal Counseling

The mental health of Saint Constantine College students is important to their overall flourishing. Saint Constantine College has a longstanding partnership with Gratia Plena, a local Catholic nonprofit that provides mental health counseling and spiritual direction in a manner faithful to the teachings, values, and traditions of the Catholic Church. The Gratia Plena team includes more than 40 service providers, and services are available at several locations throughout the greater Houston area and through telehealth when appropriate.

Students who choose to pursue counseling through Gratia Plena may do so independently, and SCC will cover the cost of the first counselling session. Gratia Plena is committed to making care accessible and offers services based on a sliding-fee scale for students who continue using their services beyond the institution-sponsored first visit. Note: any fees for cancellations within less than 24 hours or any missed appointment fees will be charged to the student's Populi account.

This aid is meant to help address issues such as school stress, and emotional and relational health, while also giving recommendations for additional outside referrals as necessary. Students interested in scheduling an appointment may call Gratia Plena at (832) 532-0129 or complete an appointment request form by scanning the QR code provided. To learn more, please visit the website:
www.gratiaplenacounseling.org

In certain situations, a student may be required to meet with a counselor or other mental health professional. The student will be asked to sign a consent form allowing the College to verify attendance (no details). A mandatory mental health wellness check may be a sanction with consequences to behavioral standing, or not. In the latter case, concern for a student may require a mental health wellness check without consequence to behavioral standing. Failure to appear or verify attendance (as a result of a sanction or not) may incur additional sanctions, suspension, or expulsion. The main concern for mental health services is the well-being of the student and the school community.

Academic Counseling

In connection with their Great Texts courses, students are assigned a Semester Mentor each semester. In conjunction with the Registrar, the Semester Mentors will help students navigate institutional processes, support academic success, and help them connect with resources and services when needed.

It is the responsibility of each student to monitor his or her academic progress at Saint Constantine College. The student is expected to know the graduation requirements for his/her program, to stay aware of his/her grade point average, and to make appropriate course selections to achieve his/her academic goals. Students are responsible for seeking further assistance if needed for academic success.

Morning Prayers

Every morning of the school week, the Saint Constantine community meets for Morning Prayers. This is a short but vital part of the day in which students and faculty begin the day with prayer, scripture reading, and a reminder of the core principles and practices of our classical Orthodox mission. While College students are not required to attend prayers every morning, they are highly encouraged to attend morning prayers on a regular basis, contributing to an ethos of communal prayer across the student body.

Off-Campus Events

Every student participating in College-sponsored activities that are off-campus, or in some instances on-campus, must read and sign the *Field Trip or Event Consent Form* prior to participating in the event. Events include, but are not limited to student orientation, class field trips, retreats, and community service events. In addition, students who are younger than 18 years of age must have the signature of a parent or legal guardian. The form will be distributed by the event coordinator and may also be found in the Links section of Populi.

Parking

Students are permitted to park in the parking lots of North Campus and South Campus. If needed, students may leave their cars parked overnight in the South Campus lot, which is fully gated. Resident students must check with their RD or RA to learn the parking rules for their housing complex. Street parking is not permitted on Regency Square Blvd. or Dale Carnegie Ln. Saint Constantine College is not responsible for and assumes no liability for any loss or damage to/from any vehicle parked on campus or at the College Houses.

Romantic Relationships and Sexuality

As an Orthodox institution, Saint Constantine believes that sexual relationships in the context of marriage between a man and a woman, conducted in a healthy, loving, and self-giving manner, are good and right. Saint Constantine also recognizes the great good of intentional, lifelong virginity, whether in a monastic context or otherwise.

Behaviors that are detrimental to virginity or chaste, married sexual relationships are prohibited for all students. These detrimental behaviors include, but are not limited to, premarital sexual activity, unmarried cohabitation, adultery, sexual harassment, sexual assault, and use or distribution of pornography.

Students who choose to pursue romantic relationships with one another while enrolled at Saint Constantine College should refrain from public displays of affection that are not conducive to or respectful of the community.

Semester Mentor Role

Each semester students will be assigned a faculty mentor who will conduct their weekly Great Texts (GRT) individual tutorial for the whole semester. The Semester Mentor will be the student's main point of contact for academic guidance and advice. Students will typically receive a new mentor each semester so that they will have a chance to learn from a range of professors over the course of their study.

Mentors are responsible for assigning the weekly writing formats to personally tailor the academic work to the needs and level of the student. Students are to follow their mentor's guidance for all written assignments.

Student Work

On-campus, part-time work opportunities are available to students based on the needs of the institution each semester. Interested students should contact the Student Life Department for more information.

Theft

Theft is prohibited. Theft includes, but is not limited to: embezzlement, fraud, larceny, receiving or concealing stolen property, stealing, and other similar offenses.

Threats

Threats are prohibited. Threats are defined as any communication which a reasonable person would regard as intimidating, coercive, extremely offensive, provocative, or intentionally or knowingly causes fear of imminent or potential bodily harm. Threats may be communicated in ways such as, but not limited to verbally, in writing, electronically, or via telephone.

Use of College Property

During the semester, currently enrolled Saint Constantine College students in good academic and behavioral standing have access to SCC property for personal study outside of normal work hours through use of their ID cards and circulated keypad entry codes. The following spaces are permitted: College Library, Junior Common Room, Wise Academic Center, College Classrooms, South Campus parking lot, outdoor spaces, bathrooms, entryways, and vestibules. The following spaces are not permitted: any faculty office, South Campus classrooms, North Campus high school classrooms, any non-Saint Constantine property. Spaces used must be fully cleared of all personal items, study items, or trash after use. No sleeping on campus. **Any individual not currently enrolled at Saint Constantine College is not permitted on Saint Constantine College property after work hours.** For College House Visitor Policy, see Visitor Policy.

SCC students may request to use SCC property outside of normal College operations for organized groups, clubs, meetings, or events, provided:

1. They obtain permission in writing from the appropriate College staff with at least a week's notice by filling out the *College Student Event Request Form* on Populi.
2. They fill out a *Room Request Form* on SharePoint with at least a week's notice.
3. There must be no conflict between SCC or The Saint Constantine School events.
4. Spaces must be cleaned and returned to their previous condition after use.

Students may be subject to fines for failure to fulfil any of these conditions. If an event requires furniture set up, usage fees will be required. **Note: submission of requests does not guarantee permission.**

Vandalism

Vandalism is prohibited. Vandalism is defined as willfully defacing, damaging, or destroying College or private property.

Violation of the Law

Any student who violates local, state, or federal law must inform the Director of Safety & Security and the Provost within 72 hours of their being criminally charged and/or arrested, particularly for a crime classified as a sex offense. Students who violate the law will be subject to discipline by the College in addition to any processes required by the city, state, or nation.

Weapons

Students must always follow all applicable laws and regulations regarding any buildings or spaces they inhabit as students at Saint Constantine College; this includes, but is not limited to, all fire code regulations, alcohol and tobacco purchase and consumption, occupational safety and health guidelines, and weapon and firearm regulations.

Because of the K-16 nature of our campus, no student is allowed to possess or carry a firearm or other location restricted weapon on the College campus (including College Houses). Prohibited weapons include, but are not limited to long guns, handguns, tasers, explosives of any type, and knives with blades over 5.5". Students are to remember that possession of any of these weapons on a school campus is a felony.

Discipline Policy: Campus & Community Life Violations

Saint Constantine College acknowledges the reality of the moral world in accordance with the ethical standards passed on by the Orthodox Church and known through reason, experience, dialectic, testimony, and history. The College will address behavioral issues based on the standards of the College as well as the Orthodox Church and state, federal, or local laws. Any violation of a Campus and Community Life policy will be addressed by the appropriate staff member, and the student will be given a sanction from the list below in accordance with the severity of the violation. Violations will also result in a change of the student's Disciplinary Standing.

Sanctions

Students who violate any Campus and Community Life policy as stated in the Student Handbook will be subject to one or more of the following sanctions. All sanctions will be accompanied by detailed information and instructions pertaining to the situation. Repeated violations may result in assignment of more serious sanctions, including but not limited to suspension or expulsion.

Types of Sanctions:

- **Admonition:** A verbal or written reprimand.
- **Community Service:** A student may be required to complete a determined number of hours of community service with the College, The Saint Constantine School, or outside organization at the recommendation of the College.
- **Loss of Privileges:** A student's behavior may result in the loss of privileges at the College, including, but not limited to, trips, clubs, groups, performances, co-curricular activities sponsored by the College, or student work.
- **Restitution or Fine:** A student may be required to pay monetary restitution to an individual or the community as a whole. Fines may be added to a student account for persistent Housing Violations, certain behavioral infractions, or through untimely completion of other sanctions.
- **Referral for Mental/Behavioral Health Services:** A student may be required to meet with a counselor or other mental health professional. The student will be asked to sign a consent form allowing the College to verify attendance. A mandatory mental health wellness check may be a sanction with consequences to behavioral standing, or not. In the latter case, concern for a student may require a mental health wellness check without consequence to behavioral standing. Failure to appear or verify attendance (as a result of a sanction or not) may incur additional sanctions, suspension, or expulsion.
- **Failure of Course:** A student's behavior may result in the failure of a course, for example, in the case of plagiarism or AI use for an academic purpose.

- **No Contact Order**: A student may be issued a No Contact Order. This limits or restricts face-to-face contact, email, correspondence, social media or telephone communications between parties when a fear of retaliation and/or harassment may be present. Friends and relatives are also prohibited from contacting on behalf of either party.
- **Resident Room Reassignment**: A student may be reassigned to a different room in the interest of order, discipline, safety, or security.
- **Removal from College Houses**: A student may be removed from the College Houses in the interest of order, discipline, safety, security, or for the student's failure to pay housing charges by the posted due dates.
- **Suspension from College**: Academic and residential suspension from the College for a specified time period. Immediate suspension may be required if a violation reasonably indicates that the student's continued presence poses a substantial or immediate threat to the health, safety, or welfare of any member of the Saint Constantine community or to the Saint Constantine campus.
- **Expulsion from College**: Permanent expulsion from the College.

Disciplinary Standing

Saint Constantine College maintains four levels of disciplinary standing: Good Disciplinary Standing, Disciplinary Warning, Disciplinary Probation, and Disciplinary Suspension. Students who, for one reason or another, fail to remain in Good Disciplinary Standing will be put on Disciplinary Warning, and students on Disciplinary Warning who fail to improve will be subject to Disciplinary Probation and/or Suspension. Residence Life strikes renew each academic year.

Good Disciplinary Standing

Students in Good Disciplinary Standing are those who consistently abide by all stated policies in the Student Handbook. Students may have up to 3 strikes under the *Residence Life Violations* policy and still be considered in Good Disciplinary Standing.

Disciplinary Warning

Students previously in Good Disciplinary Standing will be placed onto Disciplinary Warning for the following reasons:

- Any violation of a Campus and Community Life policy that results in a sanction.
- 4-6 strikes under the *Residence Life Violations* policy.

Students who are placed on Disciplinary Warning may be subject to the loss of leadership positions, resident assistant positions, student work, and/or scholarships. Students will remain on Disciplinary Warning through the end of the semester in which they were first placed on it.

Disciplinary Probation

Students who have previously been placed on Disciplinary Warning, regardless of if that status has already expired, will be placed onto Disciplinary Probation for the following reasons:

- Any additional violation of a Campus and Community Life policy that results in a sanction.
- 7-9 strikes under the *Residence Life Violations* policy.

Students who are placed on Disciplinary Probation **will be** removed from leadership positions, resident assistant positions, and student work, as well as potentially lose any awarded scholarships. Students will remain on Disciplinary Probation through the end of the semester in which they are placed on it and one additional semester.

Disciplinary Suspension

Students who have previously been placed on Disciplinary Probation, regardless of if that status has already expired, will be placed onto Disciplinary Suspension for the following reasons:

- Any additional violation of a Campus and Community Life policy that results in a sanction.
- 10-12 strikes under the *Residence Life Violations* policy.

Students who are placed on Disciplinary Suspension will be immediately removed from both academic and residential programs of Saint Constantine College. They will be prohibited from entering College campus or housing, attending College-sponsored functions, and from registering for or attending classes.

Residence Life Policies

The College Houses are a unique and central part of the Saint Constantine experience. At the College Houses, students get to learn and benefit from life in community together, forming friend and colleague relationships to strengthen them for years to come. To eat together, study together, enjoy leisure together: these are the common pursuits in which each student may mature in adulthood, more fully learning the virtues of moderation, courage, wisdom, and justice, faith, hope and love. To best facilitate life together, the guidelines of life in the College Houses have been put in place.

The College Houses are to be treated as extensions of the main Saint Constantine Campus. Thus, all general community standards that relate to campus also relate to the College Houses, including those regarding Honesty, Weapons, Alcohol and Smoking, Relationships and Sexuality, Inappropriate Communications, and Entertainment and Communal Enjoyment of Art. These can all be found in full in the Campus and Community Life section of this Student Handbook.

Residence Life Violations

Violations of the Residence Life policies that are considered minor operate on a “3-strike” basis. For the first two "strikes" a verbal warning will be issued to the student by the RA, RD, or Student Life Department. On the third "strike," the student will receive a \$50 fine to their account in Populi. The Populi description will list the dates of all three strikes. Minor violations include but are not limited to issues pertaining to household cleanliness (kitchen, common spaces, private spaces during tours), chores, observation of quiet hours, unauthorized guests, and management of residents’ food and property. Any violation that incurs a strike will be counted towards the 3-strike limit.

Violations of the Residence Life policies that are considered major will be addressed by the procedures stated in the *Discipline Policy* section of this Handbook. Major violations include, but are not limited to, repeated strikes and violations of the same Residence Life policies, sexual assault or harassment, vandalism, theft, alcohol or drug use in the College Houses, unauthorized keeping or use of weapons in the College Houses, and gross negligence.

Break Policy

Students may remain in the College Houses during academic breaks listed on the Academic Calendar, including Christmas Break. During College-recognized holidays, academic breaks, or recess periods, administrative offices, building maintenance, and residential services will be severely limited. The College is not liable for any inconvenience, discomfort, disruptions, or interferences with the resident’s use of the premises resulting from reduced staffing, closed facilities, or suspended services during holidays. Housing staff reserve the right to enter rooms during holiday and vacation periods for routine maintenance, life safety checks, or emergency purposes without prior notice.

If students intend to leave the College Houses during Christmas Break, rooms and common spaces must be cleaned, food must be disposed of, and trash must be put out prior to students leaving for break.

Students will be required to fully clean out their rooms and remove all personal possessions prior to Summer Break. Students must be checked out of their room within 48 hours of the end of the spring term. Students must complete the appropriate check-out process with their RD or RA prior to leaving.

Students who disregard this policy will be subject to disciplinary action by the Student Life Department, which may include, but is not limited to, removal from the College Houses and/or fines.

Fines

Saint Constantine College reserves the right to impose fines on resident students for the following reasons: property damage to the College Houses, failing to check out properly, failing to return keys/gate openers, tampering with fire equipment/smoke detectors, tampering with heater/air conditioner, failure to comply with mandatory fire drills or evacuations, and other situations at the discretion of the Student Life Department. Fines for damage will be assessed based on the cost of parts and labor required to repair the damage.

Illegal Items

Residents may not possess or display any illegal items, or items obtained illegally, in their rooms.

Each College House has a laundry room with washer and dryer. These are available for residents use at no cost. Residents must provide their own detergent. The RA or RD will implement a house-specific laundry schedule. Residents are responsible for attending to their laundry in a timely manner.

Living Rooms and Lounges

Each College House has a living room or lounge for common use equipped with furniture and a television. Residents are responsible for treating these areas with respect and keeping them clean and orderly. Damage to the living room (space or furniture) will result in a fine. Residents may host visitors in their House living room outside of quiet hours and with the permission of their RA or RD.

Maintenance Concerns

Any maintenance concerns in resident rooms or House common areas should be reported to the RA or RD. The Residence Life staff will address the concern with the appropriate department for resolution.

Medical Conditions and Concerns

Saint Constantine College is committed to helping the College Houses be a safe and accommodating environment for students with documented medical conditions. Students are responsible for obtaining the

Disability Support Service Manual from the Registrar or on Populi and completing the relevant processes, as applicable. Students must alert the Student Life Department and their RA/RD to medical conditions that may impact their health and safety in the College Houses, including severe allergies, regular use of hypodermic needles, life threatening conditions, etc. If the student is requesting a housing accommodation, they must submit a written request to the Student Life Department which includes:

- Official documentation of the medical condition or need;
- Description of the requested housing accommodation;
- Possible alternatives if the request is not feasible.

Students must have completed the *Disability Support Services Manual* forms prior to requesting a housing accommodation.

If it becomes necessary to relocate a resident due to unexpected illness or injury, every effort will be made to accommodate the student. All residents should be aware that they may be asked to switch rooms at any point during the semester if the need arises to accommodate a medical need for themselves or another student.

For general medical needs, please refer to the section in Campus and Community Life entitled, *Medical Needs and Emergencies*.

House Rules

In addition to the above general guidelines for College Houses, students must abide by any house rules as set forth by the RD or RA (participating in cleaning schedule, chore schedule, etc.).

Overnight Off Campus

If residents are going to be away from their House during the semester (outside of breaks), they are encouraged to let their RA or RD know their travel plan and contact information in case of emergency.

Parking

Students are permitted to park in the parking lots of North Campus and South Campus. If needed, students may leave their cars parked overnight in the South Campus lot, which is fully gated. Resident students must check with their RD or RA to learn the parking rules for their housing complex. Street parking is not permitted on Regency Square Blvd. or Dale Carnegie Ln. Saint Constantine College is not responsible for and assumes no liability for any loss or damage to/from any vehicle parked on campus or at the College Houses.

Pets

No pets or animals of any kind may be kept in the College Houses or on the grounds. Service animals are permitted if the student qualifies under the policies listed in the *Disability Support Services Manual* and with advance communication with the Student Life Department.

Registered Sex Offenders

Registered sex offenders are not eligible to reside in any Saint Constantine College House.

Room Entry by Saint Constantine College Officials

The College makes every effort to always respect a resident's privacy. However, the College reserves the right for an appropriate College official to enter a resident's room without permission or presence of the resident under the following circumstances:

- To maintain and make repairs, whether scheduled or emergency;
- To turn off any loud equipment/device, such as a TV or stereo, that a resident has left on while absent;
- If a College official has a legitimate concern and reasonable cause to believe a probable violation of College policy, or violation of local, state, or federal law;
- If a College official believes it is necessary to permit law enforcement or emergency personnel to enter a resident's room.

Quiet Hours

Quiet Hours at all College Houses are 10pm–8am. During this time, students are to refrain from activities that would interfere with the sleep or study of other students or RAs/RDs. Visitors to the College Houses are not permitted during quiet hours.

Room Care

Residents are expected to treat the College Houses with care and respect. Students' spaces shall be kept clean and orderly. Exteriors, entrances, bathrooms, and public spaces are to be kept in a guest-presentable state. Fines will be assessed to students for damage to, unauthorized use of, or alterations to rooms, furnishings, appliances, equipment, locks, or buildings. Fines may also be assessed for special cleaning necessitated by improper care of rooms, furnishings, appliances, or equipment either within students' space or on the floor or in the section of the facility wherein student's space is located.

Room Changes

Students are assigned their residence space and may not change room assignments without prior approval by the Resident Director.

The Student Housing Agreement states, "**Space Not Transferrable.** Student's assigned Space may be inhabited ONLY by the Student, and such Space is not transferrable or assignable without the College's prior written approval. Spaces may not be sublet to another person(s). Appropriate monetary charges, as determined by the College, will be assessed, and/or disciplinary action will be taken against violators of the provisions in this paragraph."

Visitor Policy

Although not all students live in the College Houses, they are welcome and encouraged to visit, remembering to follow all housing guidelines. Visitors are allowed under the following conditions:

- Residents must alert their RA or RD in advance of hosting a visitor.
- The RA/RD will have final say over all visitors.
- Visitors are not allowed during quiet hours.
- Visitors are permitted to stay overnight with the specific permission of the RD.
- Visitors of the opposite sex are never allowed in student bedrooms.

Students who repeatedly violate any part of the visitor policy will not be permitted to have visitors.

Visiting Prospective Students

Throughout the academic year, the College Admissions Manager conducts tours of Saint Constantine College for prospective students. These tours include a visit to the College Houses. Residents will be notified by their RA/RD or the College Admissions Manager of a scheduled visit (both date and time). Residents are not required to be in their House during the visit, but they must ensure that their rooms and common areas are tidy and clean. Prospective students are permitted to look into resident rooms but are not permitted to open drawers/closets or touch personal belongings.

During Admissions Preview Weekend events, resident students may be asked to host prospective students overnight in their rooms/houses. Details will be communicated by their RA/RD or the College Admission Manager in a reasonable amount of time before the event.

Wall Hangings

Residents may put up wall hangings in their rooms. No nails or tacks may be placed in the walls; students may affix any hangings or posters with materials that do not damage the walls or paint, such as Command strips or white poster putty/sticky tack. Fines will be assessed for any damage created by wall hangings.
