

ADMISSIONS PROCESS

HOW TO APPLY

Please visit www.savcds.org to complete the application for admission.

After an application is processed, you will receive access to the applicant checklist within the SCDS Portal.

To receive first-round consideration, please submit the application, applicable fee(s), and all supporting documents to the Office of Admissions through the applicant portal on our website by the **Priority Admissions Deadline, January 19, 2027**.

Applications are considered on a space available basis after the Priority Admissions Deadline.

To access the applicant checklist, please visit www.savcds.org, select "Sign-In" at the top right of the screen and then "Parent Sign-In". If you have multiple children applying to Country Day, you may switch between checklists via the "Children" dropdown menu at the top left of the screen.

Admissions Assessment

- **Junior Kindergarten-Grade 3 Applicants:** SCDS admissions assessment (administered on the SCDS campus)
- **Grade 4-12 Applicants:** ISEE admissions assessment - please note there is a **separate fee** for the ISEE assessment

Student Interview

- For applicants entering **grades 6-12**, the student interview will take place during a visit to campus.

Admissions Evaluations

The admissions evaluations are requested by a parent via the applicant checklist. The evaluations will remain confidential and will not be shared with the applicant's family. Please select the "Start" button under each evaluation request and enter the individual's name and email address. There is a place for optional comments. The evaluation form will be sent electronically to the individual and, once submitted, will be returned directly to the Office of Admissions. These requests may be filtered to a spam or junk folder depending on the email system. Please ask the individual to look in these locations if the evaluation request is not received in the primary inbox. You may resend a request via the checklist, if needed. Please submit the evaluation request no earlier than the completion of the first 9 weeks of school.

School Records

A school records request can be found on the applicant checklist. Records should include, at minimum, the first grading period of the current school year. Final official records from the current school will be needed for all students entering **grades 1-12** after enrollment at The Savannah Country Day School.

Parent/Guardian Questionnaire

The parent/guardian questionnaire is available for download via the applicant checklist. Please combine the pages into a single file before uploading to the applicant checklist.

Student Questionnaire

The student questionnaire is available for download via the applicant checklist. The questionnaire should be completed in your child's own handwriting. For applicants entering grades 6-12, this should be completed without any assistance. Please combine the pages into a single file before uploading to the applicant checklist.

Birth Certificate

Please upload a legible copy of your child's birth certificate.

Other Academic Documents (if applicable)

If your child receives any academic accommodations or special assistance for learning, mental, or physical health needs, please upload the most recent education evaluation, IEP, 504 Plan, or psychological evaluation/testing. Please combine the pages into a single file before uploading to the applicant checklist. Country Day requires a **current educational evaluation** from a licensed psychologist to be on file with the School in order for a student to be eligible for Learning Support services and/or academic accommodations, if admitted.

Immunization Statement

The Savannah Country Day School requires all students to meet the immunization requirements established by the Georgia Department of Public Health and remain current with the state's immunization schedule. A valid, up-to-date Georgia Certificate of Immunization (Form 3231) must be on file **BEFORE** the first day of school attendance for enrollment to be considered complete. Country Day does **NOT** accept religious exemptions to immunization requirements. If your student has a medical exemption, please contact the Office of Admissions before submitting an application.

Upon accepting an enrollment contract, a registration fee of \$350, a new student fee of \$500, and a \$1,000 advance tuition deposit are due and are non-refundable.
