

Good Evening Rialto High School,

This is your Principal, Dr. Sweeney, with your Sunday phone call.

This week there aren't many announcements.

First, all students remember that if you are absent we expect you to make up your time at Saturday school. You will receive a pass from your academy and a phone call home to sign you up.

Parents, this week is our first English Language Advisory committee, ELAC, in the castle. It is on Wednesday at 9am in H107.

This Thursday is our first school site council in H107 at 3:45pm.

Finally, this week is our first spirit rally on Friday to honor our fall sports athletic teams.

Sports for the week. Monday is volleyball versus Norco. Wednesday is flag football versus San Dimas. And Friday is our first home football game versus Ontario.

That's all for the week, Rialto. Have a great week and remember our instructional focus is critical reading and writing across the curriculum and once a knight, always a knight.
