Arrival

**IF YOU WISH TO WALK YOUR STUDENT IN
ON THE FIRST DAY OF SCHOOL, PLEASE
PARK IN OUR SOUTH PARKING LOT AND
UTILIZE THE CROSSWALK.**

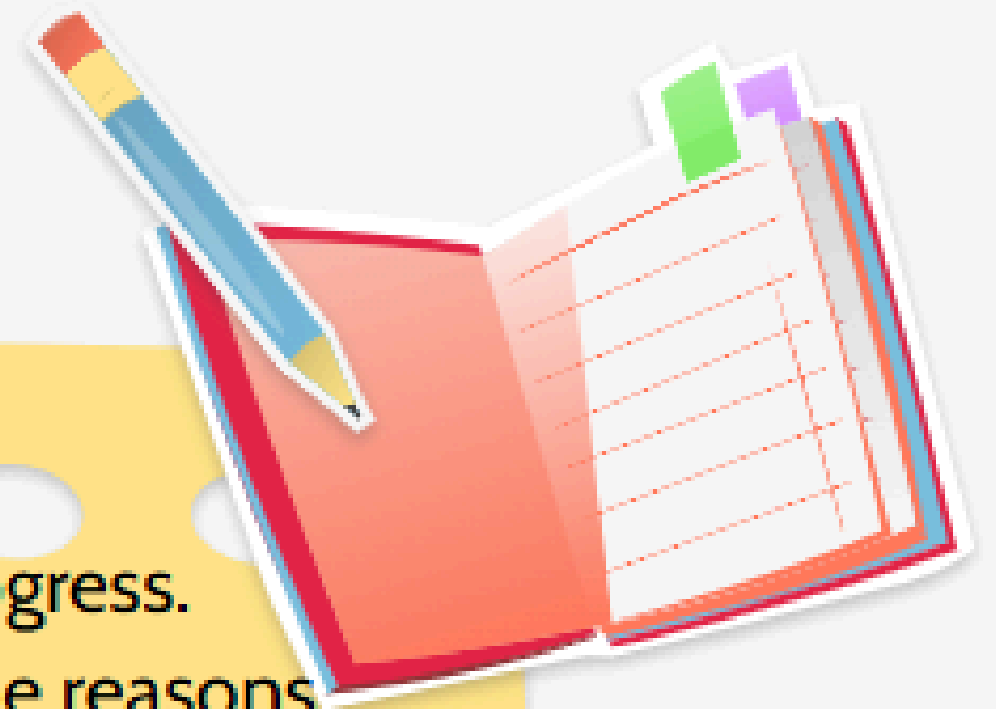

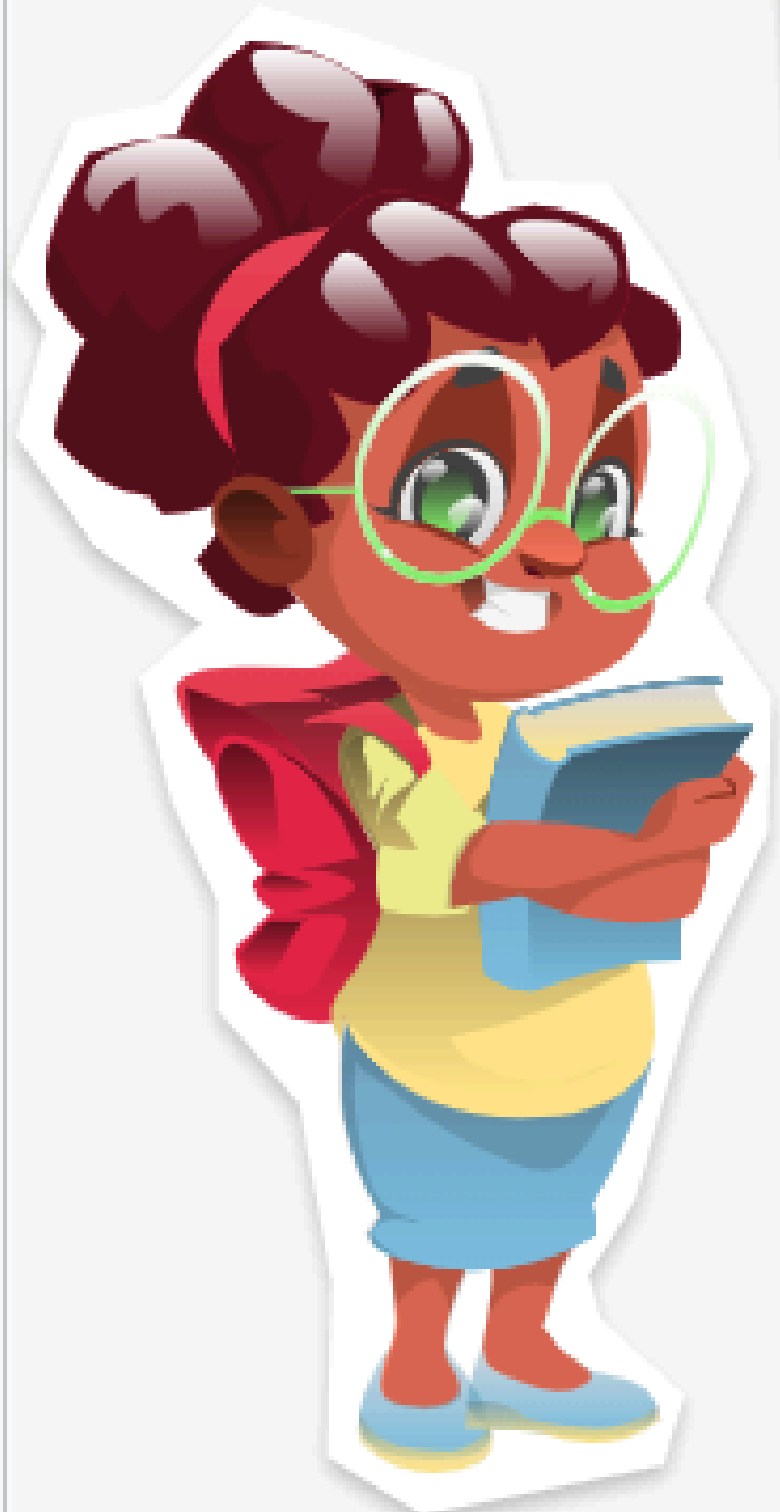

- Students can begin entering the building at 7:35am
- Tardy Bell Rings at 7:55am.
- Please do not enter the north parking lot after 7:35am as buses will be unloading
- If a student is tardy, please be sure to walk them into the building to sign in. They must be accompanied by an adult. Do not just drop and go.

Dismissal

- Car riders will be dismissed at 2:55pm in the south parking lot (begin calling names)
- If you have a student in preschool, kindergarten, or first grade, please use the pick up lane closest to the sidewalk
- If you have a student in second grade or above, please utilize the far pick up lane
- Please do not get out of the car. We will bring the child to you
- Transportation changes should be made by 2:00pm to give us time to notify those it impacts
- If you are needing to pick up a child for an appointment, please try to do so before 2:30

Attendance

- Daily attendance is critical for social and academic progress. Please contact the office by **9:00am** to let us know the reasons for your student's absence or send a note the day they return. If your student is absent for a few days a doctor's note is required. If we do not hear from you about your student's absence, it will count as an **unexcused absence**.
 - **5 unexcused absences** - letter and meeting
 - **10 unexcused absences** - letter, meeting, and attendance plan
 - **15 unexcused absences** - letter, meeting, review attendance plan and possibility of further action - **CHINS and court**
 - This is a point of emphasis for us this year

Medication

- Any medication that you would like to be administered at school must be accompanied by a doctor's note and turned into the school nurse.
 - If it is an over-the-counter medication, the medication must be provided and be accompanied by a parent note
 - Students cannot give medication to their teacher to give to nurse; a parent has to provide medication with doctor's note to nurse
