Superintendent

Dear Parent(s)/Legal Guardian(s):

The Kosciusko School District is committed to providing every student with high-quality instruction and the support needed to succeed.

The Every Student Succeeds Act (ESSA) requires Title I schools to provide timely notice when a child has been assigned to or taught for four or more consecutive weeks by a teacher who does not currently meet applicable state certification or licensure requirements for the grade level or subject area being taught.

This letter is to notify you that your child is currently receiving instruction in _____ from _____, who does not currently meet the applicable Mississippi certification or licensure requirements for this specific teaching assignment.

Please understand that _____ is actively completing the requirements necessary to obtain the appropriate Mississippi educator license or endorsement for this assignment. We are confident in this individual's ability to provide high-quality instruction and support our students.

If you have questions regarding this notification or your child's instruction, please contact Dr. Josh Dodd, Assistant Superintendent, at 662-289-4771.

Thank you for your continued partnership in your child's education.

Sincerely,

Dr. Josh Dodd
Assistant Superintendent
