Superintendent

Dear Parent(s)/Legal Guardian(s):

Federal law requires local educational agencies to provide military recruiters and institutions of higher education, upon request, with certain contact information for secondary school students. This information may include the student's name, address, telephone number, and other contact information authorized by law.

Parents and legal guardians have the right to request that the Kosciusko School District not release their child's information for these purposes without prior written consent. Students who are 18 years of age or older may exercise this right on their own behalf.

If you do not want your child's information released, please complete the form below and return it to Kosciusko Senior High School. Once the district receives your request, your child's information will not be released to military recruiters or institutions of higher education without prior written consent.

Sincerely,

Dr. Josh Dodd
Assistant Superintendent
