Attendance Policy & Its Importance

Attendance is essential at Early College High School @ Midland College! We are on a block schedule, and therefore, an instructional day is the equivalent of two days of instruction. Please monitor your attendance. When you are absent, it is your responsibility to inform me so that we can make arrangements for you to receive the lesson

Please notify the school if your child will be absent. Frequent or extended absences may make it more difficult for your child to learn necessary foundational skills that ensure student success this year and in future school years.
