East Naples Middle School Mission & Vision

Mission

Our mission at ENMS is to provide an inclusive and innovative learning community in which we empower students to develop into productive members of society that demonstrate integrity and perseverance in all aspects of their lives.

Vision

With the support of all stakeholders, every student will be successful at East Naples Middle School.

Dear Gator Families:

This East Naples Middle School Handbook has been provided for your child Online. Each student has been instructed to download a copy of the handbook onto their computer.

Failure to use the handbook properly could result in consequences to the student.

Parents, you are encouraged to correspond with teachers by emailing them. We believe that this will help your child stay organized and focused on school and you to become more aware of his or her progress.

Attendance POLICY

Florida School Law requires regular school attendance.

Parents/guardians are required to notify the school when their child is absent within 24 hours by telephone or in writing. The school will notify a parent, in writing, when a student has accumulated 7, 10, and then 15 excused or unexcused absences, or days tardy.

The school will schedule a parent conference to discuss cumulative absences or number of days tardy as needed. Students with excessive absences will be referred to Student Services for truancy. Absences of 3 or more consecutive days must be documented with a doctor's excuse.

Absences

Excused Absences:

1. An illness of the student documented by a doctor's statement or a documented medical/dental appointment.
2. An observance of an established religious holiday or for pre-arranged religious instruction as defined in Board Policy 5223
3. A court subpoena, a required court appearance, or placement in detention at a juvenile center in which the student continues his/her education.

All documentation of absences must be turned in to school officials within twenty-four hours when the student returns to school.

Validated Absences:

To qualify for validated absence, the parent must notify the school of the child's absence within twenty-four (24) hours of the date of the absence. A phone call on the date of absence prior to 10:00 a.m. is preferable. If a phone call is not possible, a written note explaining the absence will be accepted the day the student returns to school. Validated absences are not excused absences.

Unexcused Absences:

All other absences where documentation was NOT provided to excuse or validate the absence.

Credit Denial

At the high school level and for high school courses taken at middle school, credit is earned by attaining a passing average for the semester and by accumulating **no more than nine (9) days absent for the semester**. No distinction will be made between excused, validated, and unexcused absences when calculating absences for earning of credit.

Bullying and **HARASSMENT**

East Naples Middle School expects all members of the school community to conduct themselves in a manner in keeping with their level of development, maturity, and demonstrated capabilities with a proper regard for the rights and welfare of others. Appropriate behavior includes treating others with civility and respect and refusing to tolerate harassment or bullying. Bullying is a zero-tolerance offense!

WHAT IS BULLYING OR HARASSMENT?

Systematically and chronically inflicting physical hurt or psychological distress on one or more students or employees that is severe or pervasive enough to create an intimidating, hostile, or offensive environment; or unreasonably interfere with the individual's school performance or participation.

WHAT DO YOU DO IF YOU FEEL LIKE YOU HAVE BEEN BULLIED OR HARASSED?

The best way to stop bullying or harassment is to tell someone it is happening.

The Collier County Public Schools, Collier County Sheriff's Office, and Southwest Florida Crime Stoppers have partnered to provide the community with a text-messaging line to report bullying anonymously. Anyone wishing to report bullying anonymously can TEXT a tip to: 274637 (c-r-i-m-e-s) by using the keyword DNTH8 (don't hate).

Acts of bullying in progress can be reported by calling 911 or the Collier County Sheriff's Office non-emergency line, 239-252-9300, depending on the seriousness of the act.

Additionally, students can report crime anonymously by calling the Student Crime Stoppers phone number, 1-800-780-8477.

ELECTRONIC DEVICE POLICY

This cell phone policy applies to all electronic communication devices.

All students are held to the cell phone agreement signed at the start of the school year or enrollment. Student possession of electronic devices on school grounds and school buses is a privilege for communication with parent and/or law enforcement and/ or for the purpose of teacher-directed and approved research and instructional practice. In order to preserve the proper educational environment and prevent disturbances, the following conditions must be observed:

1. Electronic devices are to be powered off and NOT to be used during instructional time for personal use. Cell phones must remain powered off and in the student's backpack for the entirety of the school day. If an electronic device is being used in a classroom setting, at the approval of the teacher, the device must be powered off immediately upon completion of that class period. Devices are not to be used during passing times or lunches.
2. Electronic devices are to be powered off and silenced on District buses except as authorized by the driver.
3. Earbuds must be stored in student book bag unless requested for instruction. Headphones and speakers are not permitted.

NO CELL PHONES FROM ARRIVAL TO DISMISSAL!

INTERNET POLICY

The Internet is available to students to support their curriculum needs. Students who violate this privilege may lose access to the Internet or their school issued computer as defined by the following criteria. The Building Technology Coordinator (BTC) will remove the student from the group that grants access to the Internet. It is the responsibility of the student to contact the BTC when the disciplinary period is over so the student can be added back to the Internet group. The BTC will keep a log of students.

Level One Problem: The teacher determines the student is accessing sites not related to the curriculum or the student continues to use the Internet without permission.

Action: Student's first offense (contact the BTC to determine if this is the student's first offense). The teacher must complete a Notice To Parents of Disciplinary Warning and contact the Building Technology Coordinator. The range of time off the Internet or loss of access to a school computer is 2 to 5 school days.

Level Two Problem: The second Level One Offense. (Contact the BTC to determine if this is the student's second offense). Examples of this could be playing computer games or teacher discretion.

Action: The teacher must complete a Discipline Referral. The teacher will contact the BTC after the Referral has been processed. The range of time off the Internet or loss of access to a school computer is 5 to 10 school days.

Level Three Problem: The third Level One Offense or second Level Two Offense. Other violations could include; Internet sites of a violent or pornographic nature, e-mailing, or chatting.

Action: The teacher must complete a Discipline Referral. The teacher will contact the BTC after the Referral has been processed. The range of time off the Internet or loss of access to a school computer is 2 school weeks to a semester.

East Naples Middle School Progression of Discipline Clarifications

The purpose of this progression is to provide students with consistent expectations, opportunities to reflect on their choices, and interventions that promote positive behavior while maintaining a safe and productive learning environment.

It is important to understand that this progression serves as a general guideline and is not intended to replace or supersede the CCPS Student Code of Conduct. Behaviors involving safety concerns, threats, harassment, fighting, weapons, controlled substances, or other major infractions may result in immediate administrative action and consequences as outlined in the CCPS Student Code of Conduct, regardless of where they fall within the standard progression.

Lunch Detention

Lunch Detentions will be issued by an administrator. It is the student's responsibility to inform his/her parents of all detentions received. Rescheduling Lunch Detentions is the student's responsibility. Failure to serve Lunch Detentions will result with In School Suspension (ISS).

Behavior Agreement

Once a student has repeatedly violated school rules and has been through the East Naples Middle School progressive discipline plan, he/she may be placed on a behavior agreement. This will be initiated by the administration. Once placed on the agreement, a student will be placed in ISS and/or OSS for any subsequent referrals to the discipline office and could be recommended for alternative placement.

Alternative Placement

Upon recommendation of the Principal, the Superintendent may recommend to the Board of Education, a student receives alternative placement from school and/or extracurricular activity. The following procedures will be followed:

- Student will be given written notice of intent of alternative placement by the Principal, in addition to notice of any interim discipline action or suspension.
- A formal review will be held by the Principal. The student and/or parents will have the charges explained and will be given the opportunity to explain his/her actions.

Refer to School Law 232.26 for further clarification.

ARRIVAL & DISMISSAL

Students should arrive no earlier than 8:40 A.M. Once on campus, students may not leave school grounds without permission. LATE arrivals MUST report to the front office or designated area. Failure to do so may result in disciplinary actions.

For safety and security reasons, unless students have permission before the first bell or after 4:05 P.M. all unsupervised students must remain outside. Students should be off campus by 4:00 P.M., unless part of a supervised after-school activity. Failure to follow this rule will result in consequences for being out of area.

In order to limit the number of classroom interruptions we ask that parents/guardians please follow the school procedures for early dismissal:

- Please send in a note with all dismissal information for your student to present to the Main Office at the start of the day.
- A photo I.D. will be required to enter the school and the adult picking up student must be on the student's contact list.
- Students will be called to the office once parents/ guardians have arrived in the office, have shown I.D. and have been cleared for pick up.

The latest time for pick-up is 3:15 PM.

This is STRICTLY ENFORCED. Any student after this time will be notified that a parent/guardian will be waiting for them in the front office when the bell rings at 3:50. Enrollment/Withdrawal

Admission to East Naples Middle School requires that a student reside with a parent or guardian within the boundaries of the ENMS attendance zone. District school officials approve out-of-zone attendance. Enrollment: Prior to enrollment, immunization records must be taken to the Collier County Health Department or a local physician for certification. Proof of a physical within the past 12 months is required. Proof of Collier County residency is required and can be documented by a lease, mortgage, utility bill, or a declaration of domicile. If there are custody concerns, certified court documents are required. Withdrawal Students who leave our school during the school year should follow these procedures:

- Parents should notify the school in writing or stop by and sign withdrawal papers.
- Prior to withdrawal, parents should call the school to notify the guidance office that the student is withdrawing.
- On the last day of attendance, students should pick up a withdrawal form in the guidance office, have it completed by each teacher during the day, turn in all school books and materials, and take care of any fines or financial obligations to the school.

Car Riders

The car loop in front of the school (adjacent to Estey Avenue) is the only designated area to drop off and pick up student car riders. Student drop off in the morning is at the flag pole. Due to safety issues, students may not be dropped off or picked up on main roads or any location other than the front car loop. Parents may not park in the faculty parking lot to pick up students.

Bus Riders

The bus loops are located on the east side of the school. Bus riders only are allowed to be in the bus loops before/after school. Car riders and walkers should not be in the bus loop area. Failure to stay out of the bus loop areas will be treated as insubordination. Bus passes will only be given if there is a written note signed by a parent/guardian for liability purposes. This needs to be turned into the front office. The parent will be contacted to verify the bus pass. Students will not be issued a pass if contact cannot be made. Phone calls will not be accepted to make bus pass arrangements. Note: Students who are not eligible to ride a bus will not be issued a bus pass.

Walkers/Bikers

Students must enter and exit through the front of the building. Students who ride bicycles or e-bikes must use the main bike rack located on Estey Avenue and securely lock their bikes or e-bikes. Please note that the school is not responsible for any damage caused by weather conditions.

WHERE'S THE BUS APP:

CCPS offers the "Where's the Bus" app to provide parents and students with timely information about the location of your child's bus. Using GPS technology, this app will show you and your child how many more miles your bus is from the bus stop and if the bus is late or on time.

Sign up for the "Where's the Bus" app by clicking the link here: <https://www.wheresthebus.com>

- Be on time; the bus will not wait for those who are tardy. Arrive at the bus stop five minutes early.
- Orderly conduct is expected at bus stop. Board and leave the bus at assigned stop locations. (Students requesting to ride a different bus or use different stops must bring a note signed by their parent/ guardian to Guidance. Approval is dependent upon previous behavior of the student and available space on the bus.)
- Wait for the driver's signal before crossing any road. If you must cross the street, walk 12 feet in front of the bus.
- Horseplay will not be tolerated.
- Students are to approach and move away from the bus in a safe and orderly fashion.

**Riding a school bus is a
privilege, not a right.
Students are expected to
follow all expectations set
by CCPS and the bus driver.**

ADDITIONAL ENM INFORMATION (Part 2)

Pledge of Allegiance/Moment of Silence

In accordance with law, students shall recite the Pledge of Allegiance at the beginning of each school day. However, a student has the right not to participate in reciting the Pledge and must be excused from it upon written request from his or her parent(s). This shall include not requiring the student to stand and place their right hand over his or her heart. Students who have not been excused are expected to show full respect to the flag by standing at attention with their right hand over the heart and reciting the Pledge. Students will also have at least one minute daily for a moment of silence and reflection. During this time, students may not interfere with other students' participation.

First aid supplies are kept in the clinic. No aspirin or any other medication is supplied by the school. Parents must bring their child's sealed medication to the clinic in its original container. The parent/ guardian must sign a release form allowing the principal's designee to administer the medication. Students are prohibited from carrying medications of any type with them at school with the exception of over-the-counter headache medication, doctor prescribed inhalers and epi-pens. Inhalers and epipens must have been approved with the appropriate release form and registered with the school nurse.

Medication

Injury or Illness at School

A student who becomes ill or injured will be sent or taken to the clinic where every effort will be made to see that he/she is comforted. Students should ask for a clinic pass if they feel too ill to stay in class. Office personnel will contact the student's parent/ guardian if the student needs to go home or if medical attention is required. IT IS VITALLY IMPORTANT THAT WE HAVE CURRENT PHONE NUMBERS ON FILE SO WE MAY REACH YOU IN AN EMERGENCY. This includes all numbers possible, such as home, work, pager, cellular, next of kin, etc. Please keep us updated on any changes to these phone numbers during the school year.

East Naples Middle School limits the use of the school telephone to matters of an emergency nature. The front office phone usage should only be for emergency purposes, not to make pick-up arrangements, ask for homework to be delivered, money to be delivered, ask permission to go to a friend's house after school, etc. East Naples Middle School will be glad to deliver a message to your child in case of an emergency. Parents/Guardians are asked to give ample notice to the school of student messages to avoid instructional interruptions. Students who are found to have used cell phones to contact anyone including, parent/guardian during the school day without prior approval will receive disciplinary action. Students who use a phone at school without office permission will earn an ISS or Lunch Detention.

Office Telephone

Field Trips/Reward Activities

Throughout the school year there may be school field trips and reward activities. When a field trip or activity is planned, all students are expected to be on their best behavior. The following guidelines are used to determine participation: Students shall not have been issued a referral within the nine weeks preceding the trip or activity. A Major Discipline offense can result in non-attendance of all field trips, reward activities, dances, etc. for a period which may be up to the end of the school year. Non-returned media books will result in the loss of participation in reward/social/school activities. Decisions may be modified at the discretion of administration.

ADDITIONAL ENM INFORMATION (Part 3)

Lost Books, Equipment, Media Fines

Students are responsible for all textbooks furnished by Collier County Public Schools. Teachers will issue these texts for each subject and students must take good care of them. All textbooks, library books, school-owned instruments, equipment and supplies issued to students must be returned. If any of the above are lost or damaged, a fee will be charged and monies collected before a new item is issued. The fee will be refunded if the lost item is found. Non-returned media books and text books can result in loss of participation in reward/social school/ activities.

Hallway/Common Area Behavior

It is part of the mission at ENMS to provide a secure and safe environment for all students and staff. Rules to help ensure a safe environment include, but are not limited to, students walking at all times on the right side of the hallway, students talking in a normal voice (no shouting or screaming), students keeping hands and feet to themselves, and students being respectful and courteous to everyone. During the school day all students must have an authorized pass when out of the classroom while classes are in session. Besides having an authorized pass (designated teacher pass) the student must be in the area of the school designated on the pass. Example: A student with a pass to the restroom should not be at the clinic, or any other area but the restroom closest to the classroom. Talking with students in the hall or being in an unrelated part of the school is not permitted. Failure to follow these rules will result in consequences. Lockers will not be used during the school year.

Youth Relations Deputy

A Collier County Sheriffs Deputy is assigned to East Naples Middle School to help create an awareness of some of the functions of our legal system, and to develop relationships with all of our students in an effort to create a safe and healthy school environment. Our YRD strives to educate students to obey laws and prevent juvenile delinquency through various classroom presentations. The deputy has an office in the school and is available to all students throughout the school day.

Parent Involvement & Support

There is a direct relationship between a student's success in middle school and the part his or her parents play. The early adolescent years are the most difficult time for a child to move through. Therefore, he or she will need guidance and careful monitoring in order to insure success along with the opportunity to prove that he/she can handle the freedom. That is why the school and the home must work together. Middle school offers greater freedoms for students and, therefore, more opportunity to make both positive and/or negative choices. We ask our teachers to call parents when they suspect that a problem is forming. However, sometimes contact is not made because of parents' work schedules. The following is a list of strategies the parent can perform to keep in touch with what is happening at school:

- Check-in with your child each evening and discuss with your child on a regular basis his or her homework, grades, discipline problems and call the school if you have questions.
- Become familiar with the student handbook
- Mark on your calendar important school dates: interim/report card distribution, PTO meetings, etc.
- Learn your child's schedule and his/her teachers' names
- Call or meet with teachers if you have questions (contact the guidance department)
- Read the school newsletters
- Speak positively of the school to your child
- Volunteer at school
- Use our voice mail system to leave messages with teachers, check grades, or learn of important events.
