

# Campbell Middle School A.C.E. League

## Handbook and Guidelines

2026–2027 School Year

At Campbell Middle School, we are proud to offer the A.C.E. League (formerly known as Intramurals)—a dynamic and engaging opportunity for 6th, 7th, and 8th-grade students to stay active, build confidence, and develop life skills through physical activity and team-based experiences.

**A.C.E.** stands for **Action, Commitment, and Excellence**, which are the core values that guide everything we do in the program. A.C.E. is for students who are not currently participating in 7th or 8th-grade MSHSAA sports but still want to be involved in athletic or recreational activities with their peers.

The A.C.E. League is not affiliated with MSHSAA, which means students **do not need a sports physical or a Final Forms account** to participate. It's simple to join, fun to be part of, and open to all BCMS students regardless of skill level or previous experience.

**Please scroll to page 3** to view activity options, dates, SportsYou codes, and the sign-up form.

A.C.E. is a **Campbell-only program**—all activities involve BCMS students only, with no competitions against other schools.

### Participation Expectations

Students are expected to attend all scheduled sessions for the A.C.E. activity they sign up for. If a student is unable to attend or there's a scheduling conflict, communication with the A.C.E. coaches or sponsors is expected.

- **Student Leadership**

Some games will be officiated by student referees, providing a great chance for leadership development and peer responsibility.

- **BCMS Students Only**

All A.C.E. events and practices are held exclusively for Campbell students. No outside schools will participate—keeping the focus on building school community and personal growth.

### Important Details
