REGISTRATION

01

Apply for admission at arapahoe.edu/apply.

- Allow ACC to apply for the College Opportunity Fund on your behalf.

02

Complete required Concurrent Enrollment Paperwork

- Ask your school counselor for more information.

03

Taking classes on one of the ACC campuses?

- To register, complete our two-part online orientation.

Dropping a course means that the class will not show up on your college transcript at all; it's as if you had never registered for the course. This has no bearing on your college GPA.

Withdrawing from a course results in a "W" on your transcript and affects your course completion rate. However, this will not affect your college GPA.

Talk to your school counselor prior to dropping or withdrawing from a course.
