Improvement Plan at a Glance

Overview At Roberts Elementary, we are committed to inspiring learning, fostering growth, and empowering every student to succeed. Guided by our vision to be a high-performing learning community, our School Improvement Plan focuses on increasing student achievement in ELA, Mathematics, and Science/Social Studies. Through collaborative planning and the **implementation of standards-first instruction**, we will **strengthen Tier I instructional practices** and ensure rigorous, engaging, and inclusive learning experiences for all students. By **utilizing ongoing data cycles**, we will routinely analyze student performance and make informed instructional decisions, provide timely support, and respond to student needs. Together, these efforts will promote academic excellence, continuous growth, and success for every learner in a positive and inclusive environment.
