Dear Parent or Guardian:

On Tuesday, **October 6, 2026**, our campus will administer the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT NMSQT) online. This is a standardized test that provides practice for the SAT®. The PSAT NMSQT has two parts: Reading/ Writing and Math. The most common reasons students take the PSAT NMSQT are to help assess skills necessary for college-level work, prepare for the SAT, and enter competitions for National Scholarships (in their junior year), and receive information from colleges. KISD will continue paying for 10th and 11th-grade students to participate in this assessment.

The PSAT 8/9 is an assessment given to 8th and 9th-graders that is closely aligned to the SAT®, PSAT/NMSQT®, and PSAT™ 10. It consists of questions in Evidence-Based Reading and Writing and in Math. These scores are not sent to colleges. **Ninth Grade students who would like to take the PSAT 8/9 must: Pay to take the exam.** Paying in the KISD webstore registers your student to take the PSAT 8/9 exam.
