

Developmental Screenings SY 26-27

As part of Child Find, the district provides developmental screenings for three- and four-year-olds and for children who are age-eligible for kindergarten.

Developmental screening helps assess a child's early learning and development and can help determine whether a referral for a special education evaluation is appropriate.

- **September 28, 2026**
- **October 26, 2026**
- **November 30, 2026**
- **December 14, 2026**
