Welcome Back, 'Cats!

As we prepare to begin a new school year, our hearts are with the many families in our community who have been impacted by the devastating fires. It can be difficult to think about school when so many are facing uncertainty, evacuations, or unimaginable loss. We sincerely hope that you and your loved ones are safe.

Please know that you are not alone. If your family has been affected by the fires and you need support, whether it is meals, clothing, school supplies, temporary housing resources, or simply someone to help connect you with assistance, please reach out to me directly. Our Mt. Spokane community has always been strongest when we come together to care for one another, and we are committed to doing everything we can to support our Wildcat families during this difficult time.

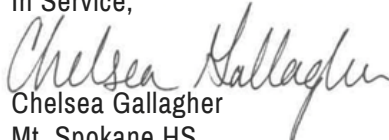

Even in challenging moments, schools have a unique way of bringing people together and reminding us of the strength of community. As we look ahead, we are excited to welcome students back to campus and officially begin a year-long celebration of Mt. Spokane High School's 30th anniversary. Throughout the year, we will honor the traditions, memories, and people who have shaped our school while continuing to create what's next for future generations of Wildcats.

This newsletter is designed to serve as a resource to help answer your questions and make the start of the school year as smooth as possible. We are especially excited to welcome the Class of 2030 to the Wildcat family!

In light of the fires, we have made the decision to postpone our Open House from August 19 to Wednesday, September 2, from 6:00–8:00 p.m. This change allows our community to focus on safety and recovery while giving families the opportunity to connect with teachers once the school year is underway. Picture Day will now be held on Friday, September 4.

As you prepare for the start of the school year, please don't hesitate to reach out with any questions or needs. Our staff is here to help. While this year begins under difficult circumstances for many, I know our Wildcat community will continue to care for one another, celebrate our 30 year legacy, and create new memories together. I can't wait to welcome our incredible students and staff back to campus for another amazing year. Thank you for being part of the Wildcat family, and as always...Go 'Cats!

In Service,

Chelsea Gallagher
Mt. Spokane HS
Principal
