Achievements & Future Triumphs

Wildcat Families,

IN THIS ISSUE

GENERAL INFORMATION

Welcome to the final few weeks of the 2025-26 school year! We hope that you have a wonderful summer break and are able to find time doing the things that bring you joy. We look forward to seeing you all in the fall!

UPCOMING EVENTS

As finals and final grades approach, please reach out directly to the classroom teacher with any questions you may have. If your student will be in need of recovering credits, please reach out to their grade level counselor and sign up for summer school online.

CELEBRATIONS

CONTACT INFORMATION

The finals schedule can be found on page 2 (senior finals do not involve an altered bell schedule); if your student needs to leave early on a day when finals are held, please send your student with a note or call ahead early, so that we can dismiss them without issue. In an effort to keep disruptions to a minimum, we will not call into classrooms during finals.

Thank you for sharing your students with us! This year has been wonderful, and I'm so thankful that I've been able to serve your students and our community.

In Service,

Mt. Spokane High School
Principal

MEAD SUMMERSCHOOL 2026 - QUICK GUIDE -

WHAT: The Mead School District is offering, at no cost, an optional credit recovery program for students in the graduating classes of 2026-2029. The program is self-paced, competency based, and online using Edgenuity, a platform currently used throughout the district.

WHEN: Registration for summer school opens Monday, June 1st and the official summer school dates are Wednesday, June 17, 2026 to noon on Saturday, June 27, 2026. However, because the program is self-paced and competency based, students who register early will have courses loaded within 24 hours of registration and receive additional time to recover credits. Registration Forms can be found on the Mead or Mt. Spokane webpage beginning June 1st.

HOW: Students will use their district assigned Chromebooks (or any other device that connects to the internet) to connect to Edgenuity. There, they will navigate through pre-tests, lessons, and unit exams to demonstrate proficiency on essential tasks. Upon completion, students receive a Pass (P) grade on their transcript.

FINANCIAL AID FOR POST SECONDARY EDUCATION

The College planning process and deciding how to pay for college (4-year, 2-year, Trades) can be overwhelming. We are here to help. Feel free to explore the FASFA form online (free financial assistance) as you navigate what comes next with your student, and please reach out to our college and career counselor, Josh Cowart, for assistance.
