I understand it is the athletic department's policy to have students ride to and from away contests on the team bus. I further understand that by allowing this student to use an alternate form of transportation, I am assuming responsibility for their safety and absolve the Kennett Consolidated School District of any damages to the vehicle or injuries that may occur as the result of an accident.

I understand I must wait until the coach has completed all post game details with the team i.e., equipment clean up, team meetings etc. before my child will be permitted to leave.

*Please note if the student will be driving him/herself.
