

The Miller Family: Jason-AD, Shelly-Soccer Coach, Drew, Dylan, and Davis-Student Athletes

"TPSD has been a special part of our family's story for nearly 30 years. My wife and I graduated in 1997, and athletics was a big part of our experience here. Now, getting to watch Davis, Dylan, and Drew wear the blue and gold and compete for the same school we graduated from is hard to put into words.

Tupelo High gave us so much more than an education or the opportunity to compete. It gave us friendships, memories, life lessons, and a sense of pride and community that have stayed with us throughout our lives. To now watch our children have those same opportunities and create their own memories makes Tupelo High even more special to us.

For our family, Tupelo High isn't just where we went to school, it is a part of who we are. We are proud of where we came from, proud to watch our kids represent Tupelo, and proud to be a part of the Tupelo tradition."
