

Math Fall Festival

MATH IS EVERYWHERE!

Wentworth Education Center

2707 Transworld Drive,
Stockton, CA
Chartville 1 & 2

4:30 – 6 p.m.

Join us for a FREE family event where students and families will explore how math is used every day through hands-on activities with community partners like the Stockton Ports, Delta College, Otto Construction, and more.

Come play, explore, and discover that math is everywhere—and everyone can be a mathematician.
