Explorers News Network is a prerecorded broadcast. All classrooms will watch ENN on Mondays to hear announcements, lunch menu, weather, future events, and messages from PTA and/or Mr. Stein. Beginning September 16th, our 5th grade students will take charge of this broadcast! We will continue to have the students of ENN present the news through the end of this school year.

Volunteering to work on ENN is an exciting and educational opportunity. We look forward to helping your child get a glimpse of the world of work and to nurture the sense of responsibility.

Your commitment to being a newscaster requires you to meet on Wednesdays from 7:15 AM – 8:00 AM.

schedule will be sent out soon
