Christopher D. Hynes, Principal

We couldn't be more excited to kick off the 2026-2027 school year at MAMS! Welcome back to the students, parents, and guardians who have been with us for the past year or two; we are excited for our new 6th grade families to join us and experience the Mt. Airy Middle School Tradition of Excellence!

In an increasingly busy world, we hope each of you had the opportunity to slow down time, rejuvenate, and focus your energy on family/loved ones. We look forward to working together to prepare your student for a lifetime of opportunities. On this journey, there will be many ups and downs. There will be times that your student fails while pursuing their goals. When this happens, together, we will teach them to pick their head up, cut down on the excuses so that they can keep moving forward to find a solution. Together, teachers and parents must model this resiliency when we face adversity to show our students that tomorrow is a new day!

This year, MAMS was selected as one of the three pilot schools to run a block schedule, enabling us to restructure our staff to deliver instruction during 90-minute blocks. This 90-minute block will allow teachers to deliver quality instruction and formatively assess student progress, allocating time for supplemental support or enrichment opportunities for students in ELA and Math. More information will be shared at Back to School Night on Tuesday, August 25th.

This will be a change for us, as we have become comfortable with the team-style approach. Although change is never easy, change serves as a catalyst for growth and acts as the antidote for stagnation. With the many changes our staff and students will experience, our theme for the school year is "Be the change!" It is time to venture outside our comfort zone, roll our sleeves up, and take care of business.

We look forward to working together with you to make a difference for each one of our students. We will strive to help them achieve, grow, and develop skills to succeed and make a difference for others! Communication is key for school and families to work together and support students.

Please take time to review the following pages, which will highlight information that you need to revisit every year and any changes for the upcoming year. Student schedules will be available in Home Access (HAC) August 15th. Teachers will use HAC to update you on student progress. We will also use weekly updates, email, monthly team news, and additional newsletters to share information. Please follow us on our Mt. Airy Middle School Facebook page this year to get more frequent reminders, updates, and glimpses of the amazing things happening at MAMS during the school day!

Enjoy the remainder of your summer, and we'll see you soon! If you have any questions, comments, or concerns, please feel free to contact us.

Sincerely,

Chris Hynes

Principal

Helpful tips...

Student Drop off Time: Students may be dropped off at school beginning at 8:00am. No supervision will be provided prior to 8:00am. Any student arriving after 8:15am will be considered tardy and should report to the office for a Tardy Slip. Students who are tardy must enter at the main entrance (by the three flagpoles).

Reporting Absences: If your student will be absent or late to school in the morning, please call or send an email by 8:30am to avoid getting an automated absence call. Emails must be addressed to mamattendance@carrollk12.org. When reporting in this manner, please include; student's full name, grade, homeroom teacher, date, reason for absence, and parent's name and contact information. *If you do not report a student absent by email or phone*, the students are required to present a note signed by a parent or legal guardian substantiating a reason for the absence. Notes should be brought in on the day the student returns to school.

Early Dismissals: Parents wishing to pick up their student may do so with permission from the parent and approval from the school. Requests should be in writing and should be brought by the student to the Main Office by 8:20am. Parents must sign-out students in the office. If parents wish for someone else to pick up their son or daughter, there must be a written request. Anyone picking up a student should be prepared to present a photo ID.

Change of address: if you move or change your work or home phone numbers, please send the changes, in writing, to the school office. In the event of a move, we will also require proof of residency in the form of a recent utility bill.

Bus Transportation: Students are permitted to have one am and one pm bus stop. **In case of an emergency**, students may request to ride a different bus or to get off at a different stop. Notes must be provided from the receiving and sending parents stating the reason for the request and must be given to the school office for approval. If a request is denied, parents of the student requesting the change will be notified.

Legal Custody of Children: It is extremely important to keep the school informed of any custody agreements concerning your child. An official court order or court document is required to establish guidelines for custody and/or restrictions. Please contact the school immediately if there is any change in the custody situation of your child.

Visitors to the building: In order to make our school the safest environment possible for both students and staff, we require that all volunteers and visitors wear an ID badge while in the school. As always, everyone must check into the main office upon entering the building. Parents are not permitted to go back to the classrooms without an administrator's approval.

Service Learning Information

Service Learning is a teaching method that combines meaningful service to the community with curriculum-based learning. Students improve their academic skills by applying what they learn in school to the real world; they then reflect on their experience to reinforce the link between their service and their learning. Service-learning includes preparation; identifying projects and learning skills, action, and reflection. **Every student who graduates from a Maryland public school must earn 75 service learning hours to graduate, with a minimum of 55 Service Learning hours by the end of 11th grade in order to be promoted to senior status.** For more information regarding service learning, please use this link; [CCPS Service Learning](#). Service learning forms can now be filled out online using this link; [Online Service Learning Reflection Entry Form](#) If you have any questions, please contact Mrs. Kristi Knauth, MAMS Service Learning Coordinator at KLKNAUT@carrollk12.org.

PORTABLE ELECTRONIC DEVICES

CCPS has established guidelines for the use of Portable Electronic Devices. In addition to CCPS guidelines, below you will find Mt. Airy Middle's procedures for use of portable electronic devices:

- Students will only be allowed to use their cell phones in emergency situations during the school day if permission is given by a staff member.
- If permission is not provided by a staff member to a student and the student is using their phone, the student will be instructed to walk their phone to the office to store in the office safe. The phone will not go home with the student and must be picked up by the parent/guardian. Our office staff will notify the parent/guardian to schedule a time to pick up the phone .
- The audible notification of portable electronic devices must be turned off during the school day to reduce disruption.
- Portable electronic devices should be placed out of view unless students have approval from staff to use their device. Permission would only be given in emergency situations. However, students are always welcome to call home using a phone in the main office.
- Portable electronic devices may not be used in bathrooms or locker rooms.
- In the event a student's continued use or possession of an electronic device becomes a disruption to the school, the student may lose the privilege to possess an electronic device. Continued violations will be subject to disciplinary action.
- If you need to contact your student during the school day, please call the main office instead of texting/calling your student directly.

SOCIAL MEDIA SAFETY LINKS

With the onslaught of new "Social Media" outlets it's never too late for tips on how to keep your kids safe online. Take the time to review this site for guidelines and information; and have a conversation with your children about social media etiquette and safety.

[Connect Safely](#)

Social media posts fall into the school's scope of authority if they threaten school safety or cause a school disruption. If parents or students see posts on social media that they find offensive and that they believe are posted by a MAMS student, they can contact the company (TikTok, Instagram, etc.) to report it. If they feel threatened, they should also contact the police. Parents are encouraged to monitor their students' social media use.

STUDENT TRANSPORTATION

Bus Routes/Schedules will be posted online by the middle of August and can be found by clicking on this link: [Infofinder.i](#). Type in your address, then click on your child's school to see the bus number and approximate pick-up/drop-off times. If you have any questions regarding your child's bus stop, call Transportation Services at 410-751-3229.

In an effort to make the transportation of your child as safe as possible, listed below you will find rules regarding student transportation:

Authorized Bus Passengers: Students may not ride buses other than the one that regularly transports them to school. Students are allowed one am and one pm stop. Exceptions to this policy will be granted only on an emergency basis by the school administration.

School Bus Vandalism: A student who damages a school bus in any manner is to be denied the privilege of riding the bus unless repairs have been paid. Riding privileges may be restored to the student after payment has been made or may be withheld by the principal or assistant principal for an indefinite period.

Transporting Musical Instruments and Projects: Only those musical instruments or projects that can be held on the lap of students along with the school textbooks may be brought on the bus. Larger instruments or projects that create a safety hazard and occupy a lot of space shall not be permitted on the school bus.

Bus Referrals: Parents will be notified if a student receives a bus referral. Inappropriate behavior may result in loss of bus riding privileges.

School Bus Regulations:

- Be at the bus 5 minutes before pick-up time.
- Take your seat promptly and remain seated for your ride to/from school.
- Sit in the seat facing front; keep your feet, books and other articles out of the aisle.
- Always keep your hands and head inside the bus.
- Report any damage that you see to the driver.
- Eating, smoking or using profanity or vulgar language is not permitted.
- Conduct should be quiet and orderly so the driver is not distracted from the important job of driving. Listen to the driver's instructions.
- Wait until the bus has come to a stop before leaving your seat.
- Cross 10 feet in front of the bus with the warning lights when crossing in front of the bus. Always look left, right, left to check for traffic before crossing any street, even when crossing in front of the bus with its red warning lights on.

Students should arrive at their bus stop at least 10 minutes prior to the listed pick up time for the first week of school.

BACKPACKS

Students may use backpacks to transport books to and from school; **however, students must leave their backpacks in their lockers during the school day.** Students will still be given sufficient opportunities to visit their lockers throughout the day so that they will not need to carry all of their books. These locker visit times will be determined by each individual team. Students can carry gym bags or small plastic bags for their gym clothes.

PHYSICAL EDUCATION UNIFORM

We highly encourage students to change for physical education. A Mt. Airy Middle P.E. uniform, T-shirt and shorts, may be purchased (\$10.00 per shirt) from their physical education teacher or they can bring shorts and a shirt. County policy requires each student to have a change of clothes which is clean, decent and appropriate for this class. We can accept cash or checks. There will also be an online option (myschoolbucks.com) available this year.

STUDENT DRESS CODE

The Board of Education recognizes the value of allowing individual student expression as well as the necessity of protecting student health and safety and maintaining an atmosphere conducive to education. Student dress code procedures must be designed with the goal of balancing these competing interests.

All dress code procedures will adhere to health and safety codes and comply with applicable law. Student attire that can be reasonably forecasted to either materially disrupt the educational environment or infringe upon the rights of other students to access and participate in a safe and welcoming educational environment will be prohibited. Mrs. Lavender is looking forward to meeting all the new faces starting at MAMS this fall and hearing the noise of a bustling school – it is too quiet here in summer.

Mrs. Conte, is a Secretary at Mt. Airy Middle since 2024 but has been working for CCPS since 2007 as a Spanish Interpreter. She is originally from Costa Rica but has lived in MD since 2000. She is married to her husband T.J. and has lived in Mount Airy for 17 years. Her and her husband have 2 human daughters Alyssa (18) and Valentina (15), and one doggie daughter, a 6-year-old Poodle named Coco. They enjoy spending time as family, going on trips, and anything outdoors, especially the beach.

Mrs. Kurland, aka Nurse Erin, is returning for her 5th year at MAMS. Nurse Erin has grown and learned as much, if not more, than the students. Unlike the students, however, Nurse Erin hopes to never leave MAMS. She lives in Mount Airy with one son and her husband. She loves the staff, students, and community of MAMS.

Mrs. Markus, Office Manager & Finance Secretary, began at Mt. Airy Middle School in March 2025. She has lived in Mt. Airy since she married her husband 27 years ago and has two children that attended MAMS. When Mrs. Markus is not working she enjoys time with her grandson, time at the beach, crabbing, and time with family.

Ms. Orbin, Secretary, has been working in the office at Mt. Airy Middle School as a secretary for 4 years. She started out working at Mt. Airy Middle as a Student Support Assistant in 2021. She loves movies, music, and animals. She has 1 cat, 4 dogs, and 3 lizards. She likes to spend her summer spending time with family and going to concerts.

Meal Account and PIN Information

What is my child's PIN?

Every student who goes through our cafeteria line will use a unique five-digit Personal Identification Number (PIN) to access their account. Parents have the option to add any denomination to the account for the purchase of meals and snack items. It is a convenient way to ensure that money is not lost or forgotten during the hectic morning rush.

Parents can find their child's PIN in the CCPS Home Access Center (HAC). Once you sign on, the Cafeteria PIN will be located in the emergency section. Please help your child remember their number. It makes the line move faster and ensures that everyone has plenty of time to enjoy their meal. If they do happen to forget the number, the cashier will be able to find it for them.

How do I put money on the account?

Visit www.myschoolbucks.com and set up an account.

- ◆ You will be able to add any value to the cafeteria account with a credit card or electronic check. *
*There is a service provider fee for credit card/electronic check transactions when using MySchoolBucks.

- ◆ **Free Method Option:** Send in cash or a check to your child's school cafeteria.
The cafeteria manager will add it to the account. Checks should be made payable to your child's school.

The money added to the account using either method can be used to purchase meals AND snack items.

Can I monitor what my child is purchasing?

Visit www.myschoolbucks.com Account set up is free.

Once you complete the simple registration process, you can set up low balance alerts and monitor purchases made in the cafeteria. You are only charged a transaction fee from MySchoolBucks if you use the account to deposit funds.

What happens if I forget to add money on my child's account?

If your child does not have cash or money on account, they will be able to charge meals (breakfast and lunch), but NOT snack items. Parent/Guardians will be emailed when a meal is charged so they can repay.

What happens to my account at the end of the school year?

- ◆ Money that remains on your child's account will carry over from year to year.
The account will also automatically transfer to any Carroll County Public School.
- ◆ If your child graduates or no longer attends a CCPS school, use this link to let us know if you would like the account balance transferred to a sibling, donated, or refunded. <https://forms.office.com/r/ieipsp12AQ>
- ◆ **BE SURE TO TURN OFF THE AUTO PAY/REPLENISH FEATURE BEFORE REQUESTING A REFUND**

Is my child's MySchoolBucks account balance automatically transferred from other School Districts/Counties?

You will also need to change the district to Carroll County in your MySchoolBucks account.

Integrated Pest Management Program

The integrated Pest Management (IPM) program employed by Carroll County Public Schools uses inspection, monitoring, employee education, and sanitation practices to minimize the use of pesticides in our schools.

Maryland law requires that parents of all elementary students be notified automatically prior to application of any pesticide. Parents of secondary students must request to be placed on a pesticide notification list.

Carroll County Public Schools notifies all students and staff 24 hours prior to scheduled applications of pesticides on school property. If an emergency pest control situation, arises and a pesticide is used, notification will be made within 24 hours. Space spraying of a pesticide throughout an entire room or area by a fogger or aerosol device requires one week advance notice to all students and staff.

Copies of material safety data sheets (MSDS) and product labels for each pesticide and bait station used on school property are maintained in the Department of Plant Operations. Persons wishing to review this information should contact Mr. John Timcheck at 410-751-3114. For additional information about the Integrated Pest Management Program, please contact Mr. Raymond Prokop, Director of School Support Services, at 410-751-3177.
