Time: 3:45-4:45

Day of week: Wednesday

First day: September 9th

Last day: December 2nd

Days of no class: November 25

Price: \$385

Description:

TGA's Stunt, Tumble, and Cheer Enrichment Program brings the excitement of cheer right to campus in a fun, engaging, and age-appropriate environment. Students will learn and develop cheerleading fundamentals including motions, jumps, stunts, tumbling, voice projection, performance skills, and choreography. Throughout the session, athletes will work together to learn a cheer routine and a performance routine set to music while building confidence, teamwork, leadership, and school spirit.

Our trained and verified coaches combine athletics, academics, and life lessons to create fun and engaging sports programs. We include sport skill development, rules & etiquette lessons, physical activity, and a STEAM component that examines concepts through the lens of the sport. Throughout the session, students will build important character traits such as leadership, respect, perseverance, sportsmanship, and teamwork while having fun with friends.

TGA's unique 5-Level Progression System allows students to continue developing their cheerleading skills each season. As athletes grow and improve, they can advance through the Yellow, Orange, Red, Blue, and Black Levels, creating exciting goals and milestones to achieve. Returning students benefit from progressively more challenging skills, drills, stunts, tumbling progressions, and leadership opportunities, while new students build a strong foundation in proper technique and safety. This system ensures that cheerleaders of all experience levels are continuously learning, growing, and being challenged.

On the final day of the session, students will showcase their hard work by performing their cheer routine and music performance for family and friends during the last portion of class.

All equipment is provided. Get ready to jump, stunt, tumble, and cheer while having fun with TGA!
