Humboldt County Designated Supports Form 2026-2027

Designated Supports are defined by the 2026-2027 Usability, Accessibility, and Accommodations Guide Manual as:

*Features permissible for use by **any student** for whom the need has been identified by an educator/team, and must be identified prior to test administration. Decisions to use designated supports should be made by professionals familiar with the student and the types of supports available for the specific assessment. This form needs to be on record with the School Site Test Coordinator.*

Student Name:_____ **Date form filled out:_____**

List the team members and their role that were involved in making this decision.

_____ (Name/Role)	_____ (Name/Role)	_____ (Name/Role)	_____ (Name/Role)
_____ (Name/Role)	_____ (Name/Role)	_____ (Name/Role)	_____ (Name/Role)

RBG3 (K-5th) iReady_____(Fall/Winter/Spring) **SBAC_____** **Science_____**

Indicate below by checking the line for each designated support the student will be provided during the above named assessments. For full descriptions of each Designated Support please refer to the Nevada Student Assessments Usability, Accessibility, and Accommodations Guide (UAAG) Manual. It is published annually. This form must be completed 30 days prior to testing.

_____Amplification (non-embedded)

_____Bilingual Glossary (non-embedded)

_____Medical Supports (non-embedded) (e.g. Glucose Monitor)

_____Noise Buffers

_____Patty Paper

_____Read aloud (this requires a human reader for test directions, science stimuli and items, math stimuli and items, and ELA items, **NOT for reading passages)**. Students must be tested individually. It is recommended that a paper or print version of the test be used for this support. (non-embedded-human reader)

_____Scribe (for all items EXCEPT ELA Extended Written Response item in the ELA Performance Task). For the Extended Written Response Item in the eAL Performance Task session, the use of a scribe is a special request requiring NDE written approval.

_____Sensory Items (Used for students with Braille, large-print, or print-on-demand tests)

_____Separate Setting (non-embedded)

_____Text-to-Speech (for test directions, math stimuli and items, science stimuli and items, and ELA items, **NOT for reading passages**). See Accommodations for ELA reading passages. This is a technology embedded support which will be read by the computer. (embedded) **CAUTION: When using this designated support on iReady assessments it will directly affect the student's MyPath or iReady Pro personalized learning and should only be used in extreme cases.**

_____Translated Test Directions in Spanish (For Math and Science only-embedded)

_____Translation- Dual Language Spanish (Math and Science Items)

_____Translation- Glossing for Math and Science items (embedded)
