

At the Early Learning Center, we value building connections not only with our students, but with our families.

Mrs. Fillman, our school guidance counselor, is a valuable resource for everyone. She can connect you & your family with resources around the community in many areas.

Over the past 2 years, we have been expanding our Caring Corner, which is an area that we have within the building that provides food, clothing, hygiene products, etc. for students & families. Please reach out to Mrs. Kierstin Fillman at any time this school year if you need any support or guidance.

Mrs. Kierstin Fillman, ELC Guidance Counselor

Here at the ELC, we value building a positive foundation for our students. We strive to provide academics to help students grow and thrive, not just today, but tomorrow. In addition, we believe that education is not just about what students learn, but also who they become. We value our partnerships with families and will work hard to keep parents informed and involved in their child's learning. We look forward to a great school year!
