Dear Kindergarten Friend, 2026

I cannot wait to meet you and show you around Ox Ridge School. There is nothing in the classroom right now. The walls are empty. Everything is waiting for you to decorate it. We are going to have so much fun!

In Kindergarten, I like to play with blocks, play dough, and legos. We will enjoy drawing and coloring. Do you like these things also? We will learn many new and exciting things in Kindergarten. I will teach you about the alphabet and letter sounds. We will learn math and play number games. We will read a lot of books and make some also. I really love all types of books. You might know some of them already.

I am looking forward to meeting you and your family. We are going to have a wonderful year together! Enjoy the rest of your summer and I will see you soon.

Love,

Dr. Trifiatis
