

OHS TIGERS

Daily Bulletin Monday 8/17/26 Wk- White

Thank you everyone for a great first week of school! Let's keep it up for Week #2!

Our campus looks great after Week 1. Thank you everyone for picking up after yourself and depositing trash into proper receptacles! Let's keep up the good work.

Our Tardy Policy starts this week. If you are tardy six times, you will be assigned an intervention. Being on time to class is important.

Students, please abide by our school district's dress code. School is designed to prepare you for the workforce, and appropriate attire is important. A couple pointers: clothing must adequately cover the body; tops must have straps; pants must be bottomed at the waist and not sag excessively, and no marijuana symbols are allowed. For the district's full policy, please see the front office or the OHS Student Handbook.

It is very important that you check your school email and your Google Classrooms daily. Those are the forms of communication that teachers and staff use to communicate with you, so check often to make sure you don't miss anything.

Underclassmen come prepared to school with your best look, this Thursday; 8/20 for Picture Day!! Pictures will be taken during social study classes in the gym. Freshmen if you've missed the chance to get your picture taken during orientation, 8/20 will be the same day to make it up as well.

SENIORS! We did not forget about you guys. Come prepared and looking your best on Friday 8/21 for your last high school picture day. Pictures will be taking place in the library during social studies.

Attention all freshmen! Are you interested in being a class officer? We need a president, vice president, secretary, and treasurer. If any of those sound like you, stop by the Class of 2030 table at Club Expo next Thursday at lunch!

Attention all those who care about the environment! The Environmental club will be meeting next Tuesday at lunch in X-2 to talk officer elections and our new adventures ahead. Grab lunch and stop by.

If you have a summer work permit, please remember that they will expire on August 19th. If you want to continue working throughout the school year, stop by the Counseling Office during break, lunch or after school for a new application.

Are you a runner? Are you looking to do something after school? Are you looking to try something new? Join Cross Country! Stop by X-6 to talk to Coach Cleary or the locker room to talk to Coach Louis to learn more.

Today for breakfast is French Toast with House Made Jam or a variety of Cereals and Muffins, and for lunch, Cheeseburger and Fries, Ham and Cheese Sandwich or a Composed Salad
