

Welcome to Foxview!

It is an honor to welcome you to Foxview Intermediate School on behalf of our exceptional, committed team! Serving our students, families, and staff as this year's interim Principal is a true privilege, especially since I have proudly been part of the Redbird community for 18 years.

Foxview Intermediate has proudly served De Pere's 5th and 6th grade students since 2001. Our highly qualified staff members are dedicated to fostering community success and student growth. To ensure the finest educational environment for our 10- to 12-year-old learners, we consistently collaborate, learn, and grow together.

We take great pride in our achievements, which include being named a National Blue Ribbon School. Guided by a student-centered approach, we maintain a strong focus on a coherent curriculum, balanced assessments, and robust instructional methods. We remain dedicated to continuous improvement so that our students always have the optimal support to thrive.

Foxview Intermediate is a wonderful place for students, offering rich academic programming, innovative learning options, and a wide array of extracurricular activities. Daily, our educators strive to guide students along a successful path toward college and career readiness.

True to our mission, we are a cohesive community of learners dedicated to ensuring everyone feels safe, respected, and successful as we grow together. This success is made possible by the incredible support of our PTO and the broader De Pere community. We are deeply grateful to the partners and volunteers who support us—it truly takes a village!

Thank you for taking the time to explore our website. Should you have any questions along the way, please feel free to reach out to us at 920-337-1036.
