We are grateful for the warm welcome we have already received and are genuinely excited about what we will accomplish together this year. We believe the strongest schools are built on relationships, trust, teamwork, and a shared commitment to doing what is best for kids. Thank you for everything you do for our students, families, and one another. We can't wait to have everyone back in the building and officially kick off the **2026–2027 school year**.

It's going to be a great year to be a Mustang!
