## Title

Student Delegates to the School Board

## Requested Action

School Board Recognition of Student Delegates to the School Board

## Summary Explanation and Background

Student Delegates to the School Board serve for one school year to share their insights and perspectives with the School Board and Superintendent of Schools.

This year's Delegates are: Cherokee HS, Madeline Flournoy; Creekview HS, Liam Collins; Etowah HS, Aspen Stringfellow; i-Grad Virtual Academy, Kai Hof; River Ridge HS, Tyler Stacey; Sequoyah HS, Beatriz Roca-Garcia; and Woodstock HS, Natasha Lakeram.

The Delegates attend all School Board meetings and meet for monthly Student Delegate Work Sessions with the Superintendent and/or senior staff to learn more about district operations and share their insights on various programs and proposed initiatives.

The Delegates rotate through the opportunity to sit with the School Board at the dais during a work session and regular meeting. Beginning in September, the Delegate in this seat will share remarks during the Student Delegate moment.

The Delegates also serve as district student ambassadors, with invitations to various special opportunities throughout the school year.

Each school determines its own Delegate selection process; students interested in the opportunity are encouraged to speak with their principal.
