Welcome to 4S!

I'm so excited to be your teacher for the 2026–2027 school year!

Fun Facts About Me

I have a chocolate lab/hound dog named Blu.

My favorite sport is soccer.

My favorite way to start the day is with a coffee!

I love to read historical fiction novels.

About Me

My name is Mrs. Sabo. This is my 11th year teaching fourth grade at Ox Ridge. I love helping students grow their confidence and creativity.

Outside of school, I love spending my time on a soccer field or a hiking trail. I played soccer all the way through college and it remains a huge passion of mine! My biggest and most exciting joy right now is watching my daughter, Marnie, learn and grow.

I can't wait to learn more about you throughout the year!

Our Classroom

In our class, we will dive into exciting topics such as the geography of the US, energy, multiplication, division, nonfiction research and advancing reading and writing skills. Our days will be filled with collaboration, curiosity, and kindness. I'll encourage you to take risks, ask questions, and celebrate your progress.

We focus on respect, responsibility, and academic effort. Everyone's voice matters, and we'll work together to build a safe, supportive learning community.
