

Authentic Exploratory
Research

lbusd.org/aer

WHAT IS AUTHENTIC LEARNING?

“An educational approach in which students explore, discuss, and meaningfully construct concepts and relationships that involve real-world problems and projects that are relevant to the learner.”

- National Research Council

BUT RIGHT NOW. . .

Most kids “do” school rather than truly learn. We need your help to change that.

You can be a leader in your community,

inspire change in your field,

and mentor a new generation!

LAGUNA BEACH HIGH SCHOOL'S AER PROGRAM

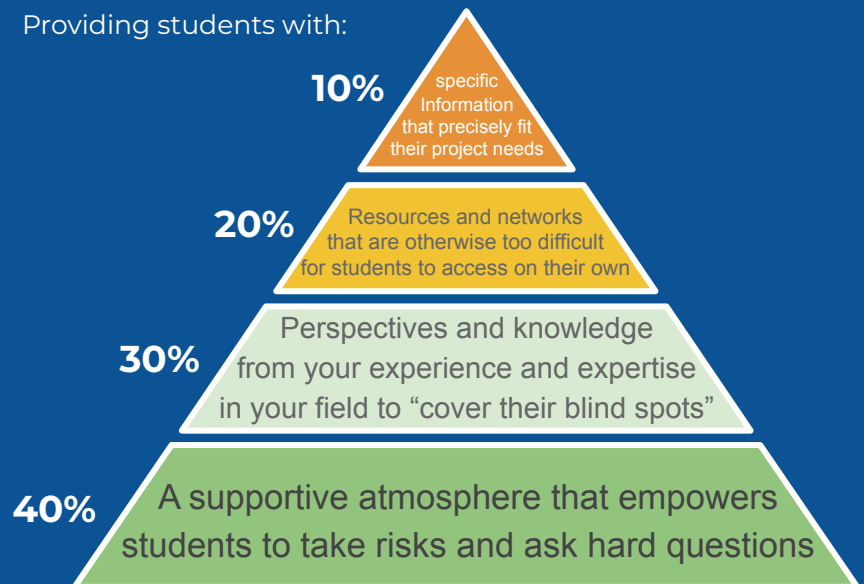

is an elective course in which students are matched with an industry mentor to pursue a research topic in a field of their choice. With the help of their mentors, students will conduct year-long independent research in order to address a real-world problem.

WHAT AN AER MENTORSHIP ENTAILS:

- 2-4 hours per month, on average, from September to May
- Attending 3-5 networking and educational events at LBHS to celebrate students' achievements

AND

- Providing students with:
