Dear Vendor,

Clint Independent School District is providing this notification regarding Texas Education Code (TEC) §§11.005 and 28.0022 and applicable Clint ISD policies and procedures concerning prohibited Diversity, Equity, and Inclusion (DEI) duties and instructional requirements.

As a Clint ISD contractor, you are prohibited from intentionally or knowingly engaging in or assigning to another individual DEI duties prohibited by law.

Under Board Policy CJ(LOCAL), a contract is subject to termination if a contractor intentionally or knowingly engages in or assigns DEI duties prohibited by law.

Additionally, under TEC §28.0022(h), a contractor is prohibited from intentionally or knowingly engaging in or assigning to another person an act prohibited by TEC §28.0022. The District's applicable policies and procedures provide for appropriate disciplinary action, including termination, for violations of these requirements.

Please ensure that your company and any individuals performing services for Clint ISD comply with these requirements and all applicable Clint ISD policies and procedures. This notification is being provided as part of Clint ISD's annual compliance requirements under TEC §39.008.

Thank you for your continued partnership with Clint ISD.
