The Forest Vista Elementary experience

At Forest Vista Elementary, our mission is to partner with parents and the community to engage, challenge, and empower every student through meaningful individual and collaborative experiences.

At Forest Vista Elementary, we believe:

- Students' needs are our highest priority
- All students can be successful both academically and socially
- Mistakes are a valuable opportunity to deepen learning
- Grit and perseverance are essential components for growth
- Soft skills, like communication, collaboration, adaptability, and empathy, set our students apart
- Students are more than a test score
- Each person who enters our doors feels safe, valued, and supported.

"Life is Good at Forest Vista" reflects the positive, student-centered culture we strive to create each day. This begins with a high-quality staff dedicated to fostering a safe, nurturing environment where all students can thrive. We focus on developing the whole child, grounded in strong social-emotional skills and strategies.

Our team designs learning experiences aligned to curriculum standards and informed by data, embedding relevant instruction and assessments that address each student's unique academic needs. Ultimately, our goal is to cultivate critical thinking and equip every student with the confidence, knowledge, and skills needed for future success.
