Welcome to the home of the Hedrick Wranglers!

We want to welcome everyone to Hedrick Middle School - Proud home of the Wranglers! Again this year we have planned many opportunities to welcome you to our beautiful campus to see the exemplary programs, fantastic students, and superior teaching staff. It is our goal to make you feel part of the family the minute you walk on campus!

Hedrick is one of four LISD middle schools chosen to be a STEM Academy. The STEM Academy offers a hands-on, collaborative learning environment dedicated to teaching students science, technology, engineering and math. By incorporating the design principles of engineering in all subject areas, we will be preparing our students for the workforce of the future.

HMS continues to offer a wide variety of academic classes including Honors, Gifted and Talented, Special Education, and high school credit classes. Advanced Placement Spanish enables our students to earn college credit for foreign language. You will also find robust Fine Arts and competitive Athletic programs for students to enjoy at Hedrick Middle School.

We will continue to challenge our students to strive for excellence in character, scholarship, fine arts, athletics, and contributing to their community.
