At Heritage Elementary, we believe:

- All students can learn and grow
- Family and community partnerships are vital to the success of each student
- Each child is an individual and should be celebrated
- Educating the whole child is important at Heritage

We strive to create a family-friendly environment with high expectations, high rigor and fun! Hands on learning experiences, with our talented staff, makes for a very engaged student body. Serving others is important to our campus climate and culture.

Our award-winning PTA, Texas Our Heritage Outdoor Learning Area, and fine arts programs make Heritage unique. We are also one of the few schools to host the Discovery Academy PreK program where our youngest students thrive. Students are encouraged to think, problem solve and collaborate with real-world issues.

ACADEMIC PERFORMANCE

Earning the Common Sense School badge is a symbol of our school's dedication and commitment to helping students think critically and use technology responsibly to learn, create, and participate.
