What we believe

The Hicks community – comprising of students, parents, teachers, and staff – is dedicated to providing an educational foundation that nurtures integrity and fosters a love of learning. We uphold the principles of the three Cs: Communication, Connection, and Culture.

Recognizing that students are more than just test scores, we take pride in our long-standing tradition of excellence. Our PTA and parent involvement are truly unparalleled. Through events such as the Fall Festival, Book Fair, Holiday Store, and Color Fun Run, the PTA is able to further its mission of making every child's potential a reality!

As a Leader in Me school, we implement an evidence-based, comprehensive model that cultivates leadership and life skills, fosters a high-trust school culture, and lays the foundation for sustained academic achievement.

Hicks Elementary is one of only two schools in the district offering the Spanish Immersion Program (SIP). Through this program, students in Kindergarten through 5th grade develop biliteracy and bilingualism (English/Spanish) by engaging in core content taught in both languages.

We firmly believe that education is a partnership among home, school, and community. The success of our students, our community, and our nation depends on our collective efforts. Together, we identify and nurture each child's strengths, empowering them to reach their full potential.

At Hicks Elementary, we believe: "Our Future Starts Here."
