Andrew Potter: *Activities Coordinator*

Randi Jones: *Principal*

Eisenhower Middle School: Empowering our Warriors to be the best version of themselves--Ready to excel academically, act with integrity, and lead positively in a challenging world. #WarriorWay

Committed to discovering our learning, flourishing our relationships, empowering compassion for others, and preparing to navigate our world.

Request for Special Transportation

Parents:

It is the philosophy of Eisenhower Middle School that all students ride to and from activities on the school provided transportation. We do realize that circumstances arise that may require a student to ride home with his or her parents or legal guardian. These situations will be dealt with on an individual basis after the proper paperwork has been filed. We also realize in extreme cases that a child may need to be released to another adult and only after proper paperwork has been completed.

Please fill out the information below and return it to your Head Coach/Sponsor (Note: This form must be on file prior to the departure of the activity.)

I, _____ request for my child
_____ to be released from
(game site) _____ on (date) _____.
My child needs permission to ride with _____ for the following
reasons:

I understand that Eisenhower Middle School will only release my child to the above-mentioned adult or myself. Eisenhower Middle School will not be responsible for any events that occur after the student has been released to the responsible party.

Parent or legal guardian
