At TCHS, we believe:

- We will accomplish anything we set our minds to
- We will set high expectations for students
- We will encourage students to reach beyond average and accept the challenge
- We will take unmotivated students and motivate them to learn
- We will start every day with a spirit of cooperation and teamwork, knowing this is the only way we can truly achieve greatness

At TCHS, we have state champions, student involvement is increasing and we engage our students in dynamic classroom learning experiences. Our theme is "The Power to Prevail," and this is especially important at TCHS Collegiate Academy, where we continue to reach all elements of our four-year plan, and strive for more accomplishments for our students.
