DESIRABLE QUALIFICATIONS – EDUCATION, TRAINING, AND EXPERIENCE:

- MCSE/MCSA
- CCNA/ASA Experience
- McAfee EPO
- IIS Management

Possess three years of experience in information systems performing the technical duties required in the areas of networking, systems and servers.

KNOWLEDGE, SKILLS, AND ABILITIES:

Knowledge of networking and system administration (IIS, Windows Servers), capabilities and limitations of Windows Server hardware and software. Knowledge of Active Directory, virus protection, automated patching and imaging, cell phone and tablet devices, documentation concepts, and clear written and oral communications.

- Windows Server System Administration
- Networking Concepts (firewalls, switches load balancers etc.)
- Virtual Server Environment Operation (VMWare or HyperV preferred)
- Active Directory/GPO Experience
- Ability to diagnose networking, hardware and software issues

CREDENTIALS AND/OR UNIQUE KNOWLEDGE, SKILLS AND ABILITIES:

Ability to analyze procedures and problems, develop and implement improvements and solutions; gather, analyze and organize information. Ability to be flexible based on program needs. Possess a valid California driver's license and proof of liability insurance coverage in the minimum amount required by SJCOE policy; insurable by the SJCOE carrier. Must furnish own transportation as required to fulfill job duties.

DISTINGUISHING CHARACTERISTICS:

The Coordinator series represents advanced management positions and has four levels.

ESSENTIAL FUNCTIONS:

Essential functions may include, but are not limited to:

1. Work effectively with school districts, community organizations, government agencies, parents, students, and/or staff.
2. Maintain confidentiality on issues concerning program and staff.
3. Supervise and evaluate staff.
4. Participate, coordinate, or conduct a variety of meetings, committees, trainings, workshops, and/or conferences in order to present materials and information concerning department programs, services, operations, and activities; represent the SJCOE at local, regional, and state meetings, conferences, in-services, boards, councils, and events.
5. Maintain current knowledge and interpret applicable rules, regulations, policies, procedures, contracts, State and Federal laws, codes and regulations.
6. Communicate effectively both orally and in writing.
7. Analyze situations accurately and adopt an effective course of action.
8. Establish and maintain cooperative and effective working relationships with others.
9. Work independently with little direction.
10. Meet schedules and time lines.
11. Prepare reports as needed for program.
12. Oversee and manage budgets.
13. Evaluate, configure, and maintain the following Enterprise environments: Windows Server, VMWare, network switches, Cisco ASA, virus protection and IIS.
14. Troubleshoot hardware and software issues in an enterprise environment.
15. Develop and maintain desktop and server configuration standards.
16. Create clear and concise technical documentation on Enterprise level systems and procedures; coordinate testing and evaluation of vendor software and hardware.
17. Implement new and revised systems by providing training to users and staff; creating and transitioning efficient operational procedures, including effective hardware utilization and adequate backup processes and make recommendations on technical modifications to the end user hardware and software work environment.
18. Assist in the research of new products and services that will enhance the technical productivity of the department and enable the CodeStack Department to provide increased levels of service to the user community.
19. Test new software and related upgrades for compatibility with existing systems; upgrade internal workstations as necessary.
20. All other duties as assigned.

PHYSICAL REQUIREMENTS:

Employees in this position must have the ability to:

1. Sit and stand for extended periods of time.
2. Enter data into a computer terminal, operate standard office equipment and use the telephone.
3. Hear and understand speech at normal levels and on the telephone.
4. See and read the computer screen and printed matter with or without vision aids.
5. Speak so that others may understand at normal levels to small or large groups, and on the telephone.
6. Stand, walk, and bend over, reach overhead, grasp, push, pull and move, lift and/or carry up to 50 pounds to waist height.

WORK ENVIRONMENT:

Employees in this position will be required to work indoors in an educational and standard office environment. Employees may come in direct contact with students, parents, SJCOE and school district staff, outside agency staff, and the public.
