

MEET MR. TANNER

WELCOME TO THE DRAGONS!

I'm so excited to be your child's teacher this year! Our classroom is a place where children learn, laugh, explore, and grow together. I can't wait to see all the amazing things we'll do and discover!

A LITTLE ABOUT ME

I was born and raised in Wyoming and have always loved it here. This is my third year teaching, and I've gained experience mainly with children 12–36 months old, with some time in Pre-K and with infants as well.

Outside of teaching, I enjoy painting, writing, reading, creating, fishing, camping, road trips, exploring national parks, and quiet days at home.

WHY I TEACH

I believe the early years are the most foundational in a child's life. I love helping build independence, strong communication, confidence, positive relationships, and an understanding of the world around them.

Being a consistent and positive adult in a child's life is something I take seriously and am honored by.

Two-year-olds are some of the most honest, curious, and hilarious humans I've ever met.

MY PROMISE TO FAMILIES

I genuinely care about each and every child's well-being and want them to feel safe, cared for, and valued while they're in my care.
