Be Prepared for High School 5:00pm (9th grade parents only in the Performing Arts Center)

Be Prepared for 10th and 11th Grades 5:00pm (10th /11th grade parents in the Commons)

Dear Parents/Guardians,

You are invited to attend Beckman High School's Back-to-School Night, **Wednesday, August 26th**, beginning at 6:00pm. Parents/guardians will report to their child's FIRST PERIOD class which will start promptly at 6:00pm. After a brief introductory video, parents will move through their child's schedule where teachers will present their classroom procedures, expectations, and performance standards. Questions about individual students' progress should not be addressed at this time.

Please have your student write down their schedule, with room locations below, **or** print out the schedule from the Aeries parent portal (under Classes) and ask your student to help you mark their classroom locations on the map. We will have student schedules available at the Attendance window if you need additional help. All PE classes will meet in the gymnasium. Due to scheduling conflicts, the few parents of students with an academic zero period AND an academic 6th period will need to choose which class to attend.

Please Note: IVC and Athletic related classes will not meet as they are primarily staffed by off-campus or outside staff members. We apologize for the inconvenience.

We will have an additional session specifically designed for 9th grade parents beginning at 5:00 pm. The session is led by our 9th grade counselors and will take place in the Performing Arts Center (PAC). Seats are limited, so please arrive on time. We will also have an additional session specifically designed for 10th and 11th grade parents beginning at 5:00 pm. The session will be led by their counselors and will take place in the Commons.

This program is designed for parents, and classrooms have limited seating, so we would appreciate it if students remained at home.
