

LEGO ENGINEERING Kinder

Tiny Town Builders

ON CAMPUS AT SAINT PAUL'S LUTHERAN

Build houses, bridges, and tiny shops, then level it up with gears, wheels, and weights—eight ways to beat each challenge, with friends cheering you on. Teachers model key steps as students experiment with what makes builds faster, stronger, or sturdier. Get photos of every build your student makes after class.

Mondays, 3:10PM - 4:40PM

Starting September 14

Kindergarten

\$25 per 90 min class
