1. The meeting was called to order at 5:01 p.m. Member Sidhu welcomed the group.

2. Citizens Comments:

Michelle Moustakas spoke on the importance of reviewing existing district policies to identify opportunities to add and strengthen student protections. She emphasized the need for the district to adopt clear policies and ensure staff are equipped with guidance and training to support consistent and effective application across the district.

Rachel Hayes spoke about the importance of supporting transgender and gender non-conforming students and ensuring they feel safe, welcomed, and supported in school. She emphasized that schools should foster environments where all students can learn, grow, and feel protected.

3. The Meeting Minutes from April 28, 2026 were approved as written.

Policy Service Discussion:

The Policy Committee has met several times to discuss selecting a new company to develop and support the district's policies. At its April meeting, the committee voted to move forward with Miller-Johnson. This Meeting of the Whole provided an opportunity for Board members and other attendees to learn more about Miller-Johnson's policy services and ask questions regarding the support and resources the firm provides to school districts.

The recommendation to proceed with Miller-Johnson as the district's policy services provider will move forward to the Board for first and second readings before final approval.

7. Future Scheduled Meeting Dates

June 23, 2026

The meeting was adjourned at 6:04 p.m.
