

Swim Club Evaluations

If you have a child interested in competitive swimming, we would love to see you at our Swim Club Evaluations! This is an opportunity for our coaches to see if your child is ready for competitive swimming, and what swim group would be best suited for your child's skill level. We have more information available on our websites and will be available for any questions at evaluations.

When: Wednesday August 26th and Thursday August 27th

Where: Lebanon High School Pool

Time: 6:00-7:00pm

***You will only need to come on one of the days, and the evaluation will take about 10 minutes.**
