

Supplies by Department for 2026- 2027 School Year

Teachers at the high school level typically indicate to students the required supplies on the first day of class or via the Realtime Portal Course page. Supervisors and teachers have created this list for the major content areas in response to parental requests. This list is a guideline for parents/students in order to help you avoid the rush and lines at the store prior to the start of school. Please understand that individual teachers may have slight adjustments. Save your receipts in case you need to return items.

Students should have a fine tip stylus pen for the touchscreen laptop.

Math

- TI 84 CE Graphing Calculator or TI 84 Plus Graphing Calculator
- 2 inch 3-ring binders
- Pencils
- Colored pencils
- Graph paper
- Highlighters
