August 13, 2026

Dear South Amboy Middle High School Families,

I hope this letter finds you well and that you have enjoyed a restful and rejuvenating summer break. As we eagerly anticipate the start of the 2026-2027 school year, I want to extend a warm welcome to all our students and their families. We are looking forward to another exciting and successful year of learning and growth.

Please mark your calendars: the first day of school will be on September 3, 2026. Our doors will open promptly at 7:50 a.m., and we are thrilled to see everyone back and ready to start the new school year.

A quick reminder for students: please ensure that your Chromebooks are fully charged and brought to school on the first day. This will help us get off to a smooth start with our technology needs.

Additionally, I would like to bring to your attention the new procedure regarding cell phones:

Each morning students will turn their devices off and place them in the designated storage area, which is their pouch. Pouches will be placed on their desks during homeroom. The homeroom teacher will then walk around the room to confirm the pouch is locked.

- Phone pouches will remain away for the duration of the day.
- At the conclusion of the day, students will be able to unlock their pouch at each designated exit in the Middle High School.
- Failure to comply with the Policy will result in appropriate disciplinary measures per the Student Code of Conduct. These requirements are also in place when a substitute is present.

We appreciate your cooperation in adhering to these guidelines, as they are designed to minimize distractions and ensure a productive learning environment.

I invite parents to come to our College and Career Fair which will take place on October 8, 2026 from 12:45-2:45 p.m. Additionally, Grand Canyon University will be in attendance to speak with parents and students regarding opportunities for Dual Enrollment. This will be followed by dinner prior to Financial Aid Night which will take place on this same day from 5 p.m. - 7 p.m. More information will follow as we get closer to these events.

Finally, the Genesis portal will open on August 20, 2026, at 4:00 p.m. Parents and students can log in to view their schedules for the upcoming school year. Please take a moment to review this important information to prepare for the first day of school.

Thank you for your continued support and partnership in making this school year a great success. We are excited to welcome everyone back and look forward to a fantastic year ahead!

Yours in education,

Erin Lamberson

Principal
