

8/3/26

Dear Wyoming Families,

We hope your family had a wonderful summer and found plenty of time to rest and recharge. As the break comes to a close, we are genuinely excited to welcome our students back to Wyoming High School for the 2026–2027 school year.

The start of a new school year always brings a great sense of energy to our building. From fresh starts in the classroom to arts, athletics, and long-standing school traditions, our teachers and staff are ready to see our students bring their energy and talent back to WHS. We also know that a successful year depends on a strong partnership with our families, and we're grateful to team up with you once again.

Below, you will find essential dates and back-to-school details to help your student prepare for day one. If you have any questions or need assistance as we make this transition together, please feel free to reach out to our main office.

Thank you for your continued support. We look forward to making this a successful and memorable year for students, families, and staff!

Senior Class of 2027 Reminder:

The senior kickoff will be August 16 between 6-7 p.m. on graduation walkway. This will be a great opportunity to bring the Wyoming High School Class of 2027 together for some camaraderie and Kona Ice before heading out with their yard signs. We hope to see you there!

Attendance:

Regular attendance is one of the most important factors in a student's success at school. Being present each day helps students stay engaged in learning, build relationships with their teachers and peers, and avoid falling behind academically.

To report a student absence, a parent or guardian should send the dates and reason for the absence to whsattendance@wyomingcityschools.org or call 513-206-7062.

Providing documentation, such as a parent note, doctor's note, or other applicable information, helps us accurately document the reason for the absence and ensures we know your child's whereabouts. Thank you for partnering with us to support your student's success through regular attendance and timely communication.

School and College Counselors:

The mission of the counseling department is to assist students with academic achievement, self-discovery, mutual respect, and college/career planning. It is our hope to empower students to reach their full potential and make meaningful contributions to society. We use a collaborative mindset to support one another, students, families, and staff. We are here to help!

School Counselors:

Lucas Osterbur - School counselor (Students with last names beginning with A-K)
osterburl@wyomingcityschools.org

Ben Henke - School counselor (Students with last names beginning with L-Z)
henkeb@wyomingcityschools.org

Dr. Amber Hunter - College/Career counselor
huntera@wyomingcityschools.org

Instructional Fees:

At the beginning of each school year, instructional fees are assessed based on each student's grade level and/or course/class load. Families can pay existing fee balances at any point online via the [Wyoming PaySchools portal](#).

Any new fees for the 2026-2027 school year will be applied to your student's account the first week of September. At which point, families can use the same [Wyoming PaySchools portal](#) to pay these newly applied fees.

Wyoming City Schools strives for financial stewardship and wants to partner with families to ensure fees are paid in a timely manner. Fees are due by October 31 and school buildings will send fee reminders throughout the year. Instructional fee waivers are processed for those students who qualify for free lunch and complete the paperwork required for fee waivers. Applications for free lunch are available [here](#) through our nutrition services partner, Milford City Schools.

Implications for Non-Fee Payment

If a student is not up-to-date with payment of student fees (or is not current with their payment plan with the Treasurer), the following privileges will be withheld each year:

- 7-12 Dances (e.g. Homecoming, Prom, etc)
- 9-12 Class Shirts
- Junior/Senior Parking Spots
- Senior Class Trip (e.g. Washington D.C.)
- Graduation Tickets
- College Transcripts

For example, if a student, who has not paid their fees, goes to purchase a Homecoming ticket, PaySchools would not allow them to make the purchase.

Exam Dates and Schedules:

Please save these dates when planning (i.e., events, activities, appointments, vacations, etc.) around the end of each semester. These are our scheduled exam dates. **No early exams will be administered.** If there are any modifications to these dates and times they will be shared with students and families as early as possible.
