

Piano Lessons at BCA

BCA serves to enhance our students' education both inside and outside of the classroom. Many students desire training in music, but often find it difficult to arrange lessons after school due to conflicts with sports, family schedules, etc. BCA is blessed to be able to provide private piano lessons during the school day to our K-8 grade students.

Dr. Sarah Harr, our music teacher, is offering private piano lessons this school year. She has been a pianist for over 40 years and has many years of experience teaching piano students of all ages and skill levels. Dr. Harr received a bachelor's degree in church music from Valparaiso University, a master's degree in sacred music from Emory University, and a Doctor of Musical Arts degree from the University of Memphis. In addition to teaching music and middle school math at BCA, Dr. Harr has served as organist at First Christian Church in downtown Chattanooga since 2018 and is an elected member of a national committee for the American Guild of Organists, whose primary focus is education and certification.

Dr. Harr will offer 30-minute weekly lessons immediately before, during, and immediately after the school day, depending on her availability. (Lessons will not take place while BCA is on a break.) The cost of lessons is \$100/month, due on the first of each month. There is also a \$25 fee (per year) to cover the cost of books, which Dr. Harr will provide.

Students who are starting Kindergarten this year up through 8th grade are welcome to sign up for piano lessons. If you have any questions, please don't hesitate to contact Dr. Harr directly: sarahharr@bcacademy.net or 423-287-5453, x303 (music room).
