2026-2027 BABYSITTER FORM

Babysitter forms **must be renewed each year** for bus scheduling purposes. Parents wishing to have their child/children transported to and from a babysitter must complete this form and return it to the Transportation Department by **JULY 31st**. If during the school year you need to send your child/children to and from a babysitter or change your child/children's babysitter, you must go to your child/children's school(s) and fill out a babysitter form.

All bus changes take from 24 to 48 hours to process. Once bus assignments have been completed and the bus passes are printed, changes become complicated. Waiting until August/September to make arrangements to have your child/children ride the school bus to and from a babysitter could result in having your request denied because that particular bus is full.

It is the practice of the Little Egg Harbor Board of Education that all students are **assigned to only ONE bus**. Students must get on and off at their home bus stop, or get on and off at a bus stop for his/her babysitter every day. **Students may NOT come to school on one bus and go home on a different bus.** The student's babysitter must be in the same demographic area as the student. A bus stop has already been established at Wee Care and Standing Tall Daycare for three schools. **Please call the transportation office at 609-296-1719 ext. 1025 with any questions or concerns or email transportation@lehsd.org.**
