Ashwaubenon High School

OFFICIAL MONTHLY NEWSLETTER

A MESSAGE FROM DR. MACH

Dr. Kane Mach, Principal

I can't believe how quickly summer has flown by! This month marks my first month as Principal at Ashwaubenon High School, and I want to sincerely thank our students, staff, families, and community for the incredibly warm welcome. It has already become clear that AHS is a special place, and I couldn't be more excited for the school year ahead.

This summer, Mrs. Schneider, Mr. Senger, and I have been preparing for a great year by strengthening our systems, enhancing school culture, and working with our Guiding Coalition to develop our strategic plan. Your voice is important, and if you missed our first Community Listening Session, we invite you to join us on Tuesday, August 4, from 5:30–6:30 p.m. in the High School Old Commons.

As we begin the year, we encourage every family to focus on three simple but important priorities:

1. **Attendance and Achievement Matters** - Be present every day, fully engage in your learning, complete your assignments, and make the most of every opportunity to learn. Research shows that even missing a few days of school can have a significant impact on academic success. **How are you taking ownership of your learning at AHS?**

2. **Get Involved** - There's a place for everyone at AHS. Whether it's athletics, fine arts, clubs, or other activities, getting involved helps students build friendships, discover new interests, and feel connected. Students who are connected to school have higher achievement, better attendance, and a stronger sense of belonging. **What are you involved in at AHS?**

3. **Find your Connections** - High school is better when you're connected. Surround yourself with trusted adults and friends who will support you, celebrate your successes, and help you through life's challenges. **Who are you connected to at AHS?**

We are excited to welcome all incoming freshmen and new transfer students to **Freshman & New Student Orientation on Wednesday, August 26, at 6:30 p.m.** in the Fieldhouse. Our first full day of school for all students in grades 9–12 will be Tuesday, September 1, with classes beginning promptly at 7:28 a.m.

Until then, enjoy these final weeks of summer. Spend time with family and friends, recharge, and make the most of the days ahead. We can't wait to welcome everyone back to AHS for another outstanding year!

Go Jaguars!

SCHOOL SUPPLIES AND CALCULATOR REQUIREMENTS

Full school supply list : **Click Here**
High School math and advanced science courses require the use of a TI-84 graphing calculator starting freshman year. Students are urged to put their names on their calculator in some type of permanent identification and keep the calculator in a safe place when not in use.

WELCOME TO THE TEAM!

As we kick off the 2026–27 school year, we are incredibly excited to see our community grow. New energy, new perspectives, and new talent are joining our classrooms and hallways this year. Please join us in offering a heartfelt welcome to our newest team members:

- **Mrs. Sam Hafemann** is the newest member of our Phy Ed department. She joins the AHS family after previously teaching physical education at Denmark Middle Schol.
- **Mrs. Kristina Ha** is joining the front office team, she is the new Bookkeeper for AHS. Khristina brings a wealth of knowledge and experience from her previous role with the Green Bay Area Public School District.
- **Mr. Zach Page** will teach in our English department. Zach graduated from UWGB this past Spring and did his student teaching at Green Bay Southwest High School.
- **Mrs. Jamie Schnurer** is also joining the front office staff as the Administrative Associate to the Principal. She joins us from Hemlock Creek Elementary in West De Pere, where she spent several years supporting students and families.
- **Mrs. Casey Torp** will be joining our Special Education department. Casey has spent several years as a Special Education teacher at Little Chute High School.

Back-to-School Information

Student Schedules will be available to view in PowerSchool beginning **August 10**.

- Freshmen and new student schedules will be provided at orientation.
- Printed schedules will be provided for all students on the first day of school.
- Students requiring a schedule change must make an appointment to meet with their counselor. Note the schedule change policy (see the 2026-27 AHS Student/Parent Handbook).

Beginning **August 19th**, after the Annual Forms have been completed in PowerSchool, students or parents can stop in the Ashwaubenon High School main office during office hours to:

- Purchase parking permits - $50.00
- Purchase locks if needed (non-athletic) - $7.00

Freshman & New Student Orientation will be held on August 26th at 6:30pm in the AHS Fieldhouse. Additional information will be mailed home.

Updated Student Support Assignments for the 2026–27 School Year

To better support our students, we have updated our counselor and administrator team assignments for the 2026–27 school year. Aligning specific counselors with administrators creates a more collaborative, streamlined support system for every family.

This paired approach allows our counselors and administrative teams to work closely together to support your students through all four years of their high school experience.

2026–27 Student Support Assignments (by Last Name):

- **A–Ha:**
  Counselor: Ms. VanLaanen
  Administrator: Dr. Mach
- **He–Pa:**
  Counselor: Mr. Hilbert
  Administrator: Mrs. Schneider
- **Pe–Z:**
  Counselor: Mrs. Fitzpatrick
  Administrator: Mr. Senger

While students are assigned a primary contact team, all administrators and student services team members are always available to step in whenever immediate support or safety needs arise. Please feel free to reach out to your student's assigned team at any time!

STUDENT LOCKERS

Ashwaubenon High School provides hall lockers and physical education lockers for the convenience of students. Some hall lockers have built-in combination locks; students assigned to those lockers will be issued a locker number and combination. Other lockers use combination padlocks.
Students assigned to these lockers will be required to purchase a school-issued lock or use the lock they purchased while at Parkview; locks may be purchased in the main office.

Hall locker assignments will be provided on students schedules. Students may only use school-issued locks on lockers with the exception of locks needed for co-curricular sports.

CELL PHONE EXPECTATIONS

Again this year, students will be required to place their cell phones into a cell phone storage container, typically located near the teacher's desk, at the beginning of each class and AF period. Students will then pick up their phones at the end of the hour. Students may use their phones during regular hallway passing time and lunch time. Teachers may allow students to use their phones, either on an individual or class basis, if the teacher deems appropriate for instructional purposes. Students who misuse cell phones or who have them out in class without permission will need to hand their phones to the teacher, who will turn them in to the office for a parent/guardian to pick up.

IMPORTANT CHROMEBOOK AND DEVICE INFORMATION – FORMS DUE AUGUST 20TH

To help our high school 1-to-1 technology program run smoothly, we need your help!

All parents must complete the Annual Tech Permissions & Agreements form for AHS students inside PowerSchool by August 20th.

Remember that all AHS students are required to use school Chromebooks this year according to District Policy. They'll need to leave personal laptops, tablets and computers at home since there is no longer a BYOD (Bring Your Own Device) option.

How Do I Complete My Student(s)' Annual Tech Permissions and Agreements?

- Log into your parent PowerSchool account
- Click on Forms (left menu) and "Annual Permissions and Agreements for 2026-27"
- Review the AUP/Tech Device Agreement and check the box "Student & Parent Agree"
- You will also need to check the box at the bottom of the form: "I have completed this form for the 2026-27 school year"
- Don't forget to click "Submit"

A $40 annual Digital Materials & Chromebook Protection Fee will be assessed for students in PowerSchool. ***Please note*** that a completed and approved Free and Reduced Lunch application will waive this Chromebook fee.

If you are unable to access PowerSchool or need assistance, please call AHS at (920) 492-2950 for help.

Thank you for helping us ensure we can issue student Chromebooks on the first day of classes.

BUS AND TRANSPORTATION REMINDERS

The school buses will be running the same approximate routes as last year, with Lamers Bus Lines once again providing our transportation needs. **Students will be dropped off in the morning in front of the high school main office/fieldhouse area and will be picked up after school at the playground lot between Parkview and AHS.**

- For a list of streets eligible for busing to the high school: **Click Here**
- Lamers will be mailing out yellow postcards to all families at some point during the week prior to school start containing bus route information. If your student will not be riding the bus this year, please email **Chris Terpstra** at **christerpstra@golamers.com** so that the student can be removed from the bus route.
- Those students who are not on the Lamers Bus route are able to ride Green Bay Metro buses for free with a current student ID. Please **CLICK HERE** for more information.
- For those not on an eligible street and interested in private pay bussing, or if you have additional questions concerning bus service, please contact Lamers Bus Lines via email (include your child's name and street address) at **christerpstra@golamers.com** or **CLICK HERE** to fill out the private pay busing form.
- If there are any other questions or concerns, please contact Ms. Janelle Marotz via phone at (920) 492-2905, ext. 1005.
- **It is important to note that buses will be at the playground lot between Parkview and AHS as soon as the bell rings at 2:50pm. Buses will then leave the playground lot between 2:55pm-3:00pm. Students riding the bus must get to the bus pick up area directly after school.**
- Parents are reminded not to block the front driveway for other vehicles that need to pass through. Students waiting for their parents to pick them up should leave the front entrance area open for visitors.

PARKING PERMITS

Student Parking Permits are available at a cost of $50.00 for the school year (pro-rated each quarter).
Students may bring in payment and pick up their parking permit during normal office hours beginning August 19th **ONLY** if:

1. Vehicle/driver information has been entered and permission selected in the parent PowerSchool account, and
2. **ALL** outstanding fees/fines have been paid.
   - Applicants MUST possess a valid Driver's License. Each student must have parent/guardian approval to purchase a parking permit, even if student is 18 years old.
   - Parking Permits will be sold on a first-come, first-served basis.
   - Students with permits may park in the large lot in front of, and behind of, the school.
   - Parent/guardian understands that neither the Ashwaubenon High School nor the Ashwaubenon School District is responsible for property that is lost, stolen or damaged while in the school parking lot.
   - Lost, stolen or damaged permit tags should be immediately reported to the AHS Main Office. A replacement tag is obtained by paying a replacement fee of $5.00.
   - Parking permit hang tags must be located on the inside rearview mirror with the permit number visible from outside the vehicle. Vehicles without a hang tag displayed, displaying an unauthorized hang tag, or parked illegally, will be subject to a parking fine and/or towing fee.
   - The student or parent/guardian must register any changes of authorized users and/or vehicles/license plates by entering the updated information into PowerSchool or in writing to the AHS main office. Permits used by unauthorized drivers or vehicles will be revoked.

ATTENDANCE

- Doors OPEN at **7:00 a.m.** and LOCK promptly at **7:28 a.m.** (a warning bell rings at 7:25 s.m.)
- If your student needs to miss school, parents/guardians must notify the attendance office, in advance if possible. Sleeping in or oversleeping is not an excusable absence.
- To report an absence, please either leave an attendance voicemail via phone at (920) 492-2950, Option 2, or send a note with your student. You may also contact the attendance clerk during office hours, Monday-Friday between 7:00am to 3:15pm, via phone at (920) 492-2950, Option 3.
- To leave school early, parents/guardians must notify the attendance office. A blue pass will then be available for student pick up in the main office. If returning on the same day, the student must present the blue pass in the main office. Students leaving without a blue pass will be subject to a truancy ticket.

Reminder - Ashwaubenon High School has a closed campus; students are required to stay in school during lunch periods.

MEDICATION POLICY

School personnel cannot administer non-prescription or prescription medications without a completed **Medication Administration Request/Consent Form** on file for the current school year.

All non-prescription and prescription medication must be kept in the high school attendance/health office in its original container. Exceptions to this policy may be made for inhalers, EpiPens, insulin, and other medication that can be self-administered by the student that has the proper paperwork on file. All medications must be dropped off and picked up in the school office by an adult (students may not transport medications to and from school)

Acetaminophen, Ibuprofen, and Benadryl are available to high school students if an Over-the-Counter Authorization Form is filled out in **PowerSchool**. This form must be completed each school year. Consent from the previous school year does not carry over.

Health Information forms in **PowerSchool** should be updated each school year. Health information updates are important for keeping your student safe while at school.

We are excited to welcome Heather Walters as the school nurse for Ashwaubenon High School. Please reach out to her with any questions or updates regarding medications or student health, (920) 492-2935 ext. 3319 or hwalters@ashwaubenonk12.org

VAPORIZERS AND ELECTRONIC CIGARETTES

We want to remind our school community that possessing vapes, e-cigarettes, or any other electronic smoking device or implement is strictly prohibited on school grounds and will result in a 3-day suspension and police referral. We take this issue very seriously due to the negative health effects vaping can have on our students, and often find that our parents are not aware of the risks around vaping.

Attached you will find a link to a **Fact Sheet** from the Surgeon General that is designed to inform you about this increasing problem and provide you avenues for discussing this with your student. We hope that you will use this information to have constructive conversations with your student about the dangers and potential consequences of e-cigarettes. If you have any additional questions about e-cigarettes or other substance-related issues, feel free to contact Associate Principal **Cassandra Schneider** via phone at (920) 492-2950, ext. 5334.

ASHWAUBENON
SCHOOL DISTRICT

The Ashwaubenon School Nutrition Program supports student achievement by efficiently providing high quality food and services. Our innovative, nutritious and cost effective meals strive to encourage a lifetime of good nutrition. Meals are made on site; from oven to table within minutes. Our meal programs meet all federal regulations (see district website for complete details). These programs include operational and support personnel totaling 26 people in the five school kitchens.

- ***Breakfast:*** Breakfast is available every day, even on early dismissal days.
- ***Lunch:*** Lunch is available every day, even on early dismissal days, unless denoted on the calendar.
- ***Prices:*** The Ashwaubenon School District participates in **Universal Free Breakfast**, meaning all students can receive a breakfast meal at no cost. Full paid lunch prices are **$3.25**/day for students in grades K-5, and **$3.75**/day for students in grades 6-12. The Ashwaubenon School Board approved removing the reduced price lunch fee to parents; therefore, reduced lunches are **FREE** for all students grades K-12. If you feel you may qualify for free or reduced meals, please see information below. Students taking milk only will be charged **$0.50**/milk.
- ***A la carte:*** A la carte will be available to students in grades 6-12. A la carte offerings are additional offerings that may be purchased with available funds in student meal accounts including snacks, beverages, and desserts. The Ashwaubenon School District follows USDA Smart Snack Regulations for all a la carte offerings. Student accounts with a zero balance are offered full meal choices only. If the balance falls to $0.00, a la carte may not be purchased.
- **Free and reduced meal application**: If you feel you may qualify for free or reduced meals, the application can be found on the district webpage, https://ashwaubenon.familyportal.cloud/, school or district office, and we encourage you to apply.

Reminder: Meal Magic is a student based account system.

- As in previous years, all schools operate on a computerized *pre-payment* accounting system.
- Each student has their own meal account and account balance. So, if one student in the family spends too much money it will not affect their siblings.

To make deposits guardians/parents can*:*

- Create an account with Meal Magic Family Portal at https://ashwaubenon.familyportal.cloud/.
- Electronically deposit a payment to an account from a checking account or credit card. Site can be found on district webpage under School Nutrition: https://www.ashwaubenon.k12.wi.us/about-our-district/departments
- Phone in a credit card to the district office at 920-492-2905 ext.1006.
- Mail payment, checks preferred, to Ashwaubenon School Nutrition, 1055 Griffiths Lane, Ashwaubenon, WI 54304.

Fight Hunger & receive Tax Deduction...You can help Ashwaubenon students that struggle with hunger. Whether you're an individual or a company, a gift of money is a charitable donation and qualifies for a tax deduction. You can pick any donation parameters. The money goes directly to families in need. For more info, contact the district office (920) 492-2905 x1009 or go on our district school nutrition webpage, https://www.ashwaubenon.k12.wi.us/about-our-district/departments/school-nutrition.

Thank you for allowing your children to participate in our program!

This institution is an equal opportunity provider.
